A MESSAGE TO THE POLITICAL RIGHT

I've been accused by some readers of favoring the political Left in HUSTLER. I don't believe that's true; I simply take aim at assholes when I see them, and these days, there seems to be a lot of them on the Right. But since it's assholes I despise, it really doesn't matter to me what side of the political fence they sit on. Gephardt and Lieberman are assholes too, for my money.

As for the magazine itself, we simply get more cooperation from people—reporters, experts, personalities—who favor left-wing causes. Reporter Greg Palast, Nobel Prize nominee Dr. Helen Caldicott and movie actor Peter Coyote have all contributed to articles on complex issues of government. Those on the Right have largely declined invitations to speak with us, with the exception of G. Gordon Liddy and Christopher Hitchens (although I'm not sure you can really say Hitchens is on the Right; I don't know where you'd put him). Meanwhile Ann Coulter, Rush Limbaugh, Larry Elder, Oliver North, Pat Buchanan, Dennis Miller and Michael Medved have all turned us down for interviews.

So here's the deal: I will guarantee any of the above conservatives (and a few that are not mentioned here) complete freedom in any interview we do with them, reserving only the right to edit for space, not content. I make this offer because I want HUSTLER to present both sides of a given political issue and because I believe that vigorous debate is what makes a democracy great. So, to Ann, Rush, Larry, Oliver, Pat, Dennis and Michael, I say: Stop complaining that HUSTLER has a left-wing bias and step up to the plate. We're waiting to see if you can knock one out of the park.

At Home...

I am a longtime subscriber to HUSTLER as well as a big fan. I am proud to say that I am an even bigger fan after reading the September 2003 *Publisher's Statement*. I am a military wife of seven years to a U.S. Marine. I cannot tell you how nice it is to hear when "civilian" people understand how hard our military men and women work and how little they are paid. I have known many military families who were terribly poor, even if the spouse to the service member was employed. I cannot tell you how many Marines I have known in the past who left the military, not because they didn't love serving their country, but because they could not support their families. My husband, who loves being a Marine, will be leaving the military in three years, after 11 years of service, because he can make three times as much money in the civilian world. Thank you for raising awareness of this huge problem.

...And Abroad

Upon reading the September 2003 HUSTLER, I was compelled to offer a few insights of my own about our commander in chief. Being a native Texan, I can proudly state that I have voted against Dubya three times and his father twice. I have known about Bush's war record since he was running for governor of my beloved state. As a military man, I am disgusted with Bush's service record. It's very easy for him to arrogantly declare, "Bring 'em on," with regard to the threats to our soldiers in Iraq. Yet, he couldn't even make a monthly weekend drill in the National Guard. Of course, he isn't the one who buries the dead or looks into the grieving eyes of parents and spouses. As a parting shot, though Bush is the President, Rumsfeld and Cheney drive the train. Hopefully, our friends and allies around the world will eventually forgive us.

I just want to let you know how much I love HUSTLER. Your models are beautiful and the cartoons are hilarious. I am a soldier in the Army, 4th Infantry Division, currently kicking ass in Iraq. Before I was deployed, I made sure I carried a HUSTLER in my duffel for my enjoyment. Little did I know that this one magazine was going to bring such joy to hundreds of Iraqi men. I tore a few pages out and gave them to the poor guys. They told me to let the folks at HUSTLER know how much they enjoyed looking at beautiful American pussy. I've enclosed a picture of myself and some local sheep herders holding the magazine. I hope that this picture of freedom makes it to the pages of HUSTLER.

"I am a soldier in the Army, 4th Infantry Division. Little did I know that HUSTLER was going to bring such joy to hundreds of Iraqi men."

I thoroughly enjoyed the Mancow Muller piece in the October 2003 HUSTLER (*Hot-Tubbing With Mancow Muller*). Aside from stirring up controversy on a daily basis, his political views make perfect sense. He should be saluted for his efforts in shaking up the establishment and pushing the boundaries of free speech, which may be taken away from us if we don't keep an eye on what the festering shitbags in the White House are up to.

Unhappy Camper

Mr. Flynt, I have played poker with you for hours at a time, and I admire you in many ways, but I am writing today because I am sad to see HUSTLER going downhill. What the hell is happening over there? The girls are not pretty, and there is hardly any penetration (let alone anal sex and pissing). Please substitute the rest of my subscription for LEG WORLD or TABOO, just to salvage the remainder of the year.

Bush Bashing

I'm glad the official political season is upon us. We can now express our opinions on how well our President is doing his job. There isn't much good to say about his performance, so here's how we can best recover from his regime: We should slash our foreign affairs spending by 80%. You can't buy friendship! Cut the NASA budget in half. To hell with blowing more money on seeking information about Mars! Our next President must do more than say, "God Bless America" over and over again.

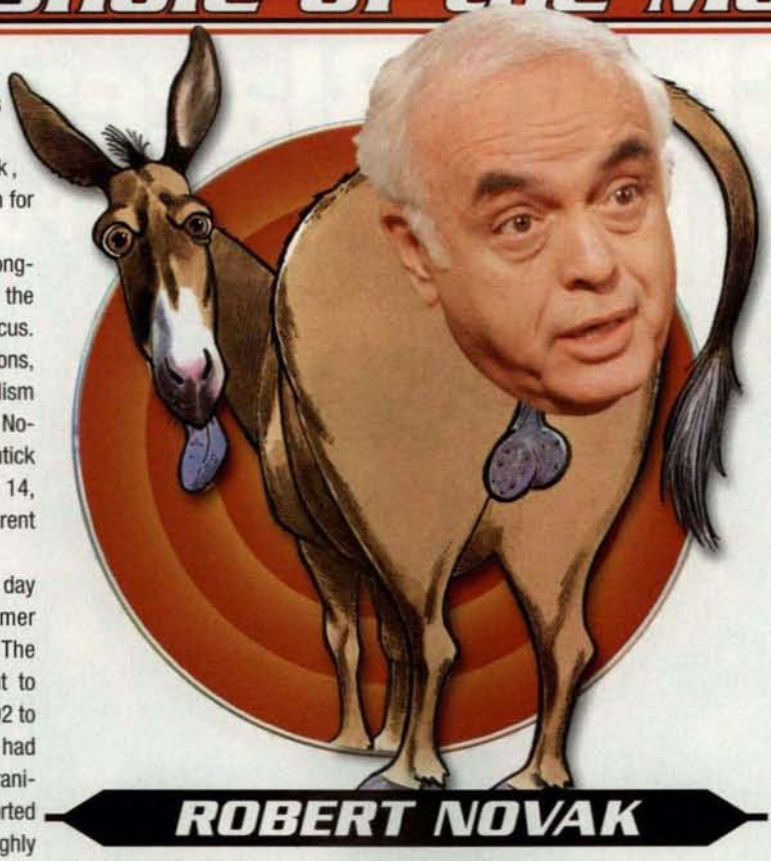
Asshole of the Month



Question: What's crinkled, smelly and leaks all over the place?

Answer: Robert Novak, HUSTLER's Asshole of the Month for February 2004.

Pinhead pundit Novak has a longstanding reputation as one of the goofiest clowns in the media circus. Gushing with dipshit postulations, his main contribution to journalism is comic relief of his ineptitude. No-facts Novak's know-nothing shtick ceased to be amusing on July 14, 2003, when he became an apparent accomplice to treason.

His newspaper column that day was purportedly about former ambassador Joseph Wilson. The retired diplomat had been sent to Niger by the CIA in February 2002 to investigate reports that Iraq had tried to purchase yellowcake uranium there. Though Wilson reported back that this scenario was "highly unlikely," George W. Bush used the claim in the 2003 State of the Union address anyway to boost support for his Iraq invasion. Wilson subsequently penned a July 2003 *New York Times* editorial detailing the sketchiness of the uranium story.

Novak, in his own column, outed Wilson's wife, Valerie Plame, as an undercover CIA operative, citing "two senior administration officials" as his source.

Disclosing the name of a covert agent is a serious crime, with good reason. Doing so endangers the agent and anyone he or she had come in contact with.

Novak's exposure of Plame was more than mere recklessness. The divulgence, coming on the heels of Wilson's *Times* piece, bears the stench of White House retaliation. This odor is magnified by reports that, at about the same time, two White House officials floated Plame's name and identity to six other Washington reporters.

After CIA director George Tenet called for an investigation, Novak launched an ass-covering campaign. He first claimed that his sources had left him with the impression that Plame was an analyst, not a covert operative, though he used the phrase "operative" in his column.

It has since come out, thanks to Novak's diarrhea of the pen, that Plame was a nonofficial cover (NOC), considered the "holiest of holies" among undercover agents. Perhaps that's why, as Novak later admitted, the CIA asked him not to print her name.

Numbnuts Novak even contradicts himself in his effort to skirt responsibility. He asserts that his sources provided Plame's information as "an offhand revelation" during "a long conversation." Elsewhere, he maintains, "I didn't dig it out, it was given to me. They thought it was significant."

Lacking a plausible excuse for himself, Novak sought to smear Wilson as an anti-Bush partisan in a subsequent column. He wondered how the CIA could make the "incredible choice" to send Wilson to Niger. After all, Wilson "had become a vocal opponent of President Bush's policies in Iraq after contributing to Al Gore in the last election cycle."

Novak conveniently omits that Wilson also gave to Bush's 2000 campaign. At any rate, the Gore donation is irrelevant; Wilson first publicly blasted Bush's Iraq actions in his *Times* piece, 17 months *after* he was sent to Niger. Was the CIA supposed to rule him out based on an article he'd write more than a year later?

In distinct contrast to his outing of Plame, Novak vows not to disclose his sources. When a criminal investigation is involved, this often translates into jail time for tight-lipped reporters. HUSTLER Publisher Larry Flynt, for example, was sentenced to 15 months in prison for refusing to reveal the source of a videotape connected to the 1984 John DeLorean cocaine trial.

"I don't think I'll have to go to prison," Novak sniffed to *Meet the Press* host Tim Russert.

Of course not; why would the Bush Administration go after one of its most obsequious lapdogs, one who'd go so far as to endanger a government agent to prove his loyalty? Besides, does anyone believe that a weasel like Novak, faced with prison time, wouldn't crumple into a quivering ball and spill his guts along with his bladder?

"Being a columnist and reporter for this many years is sort of like never having to say you're sorry," blathers Blabbermouth Bob.

He needn't say it because everyone already knows it; Bob Novak is one sorry Asshole.

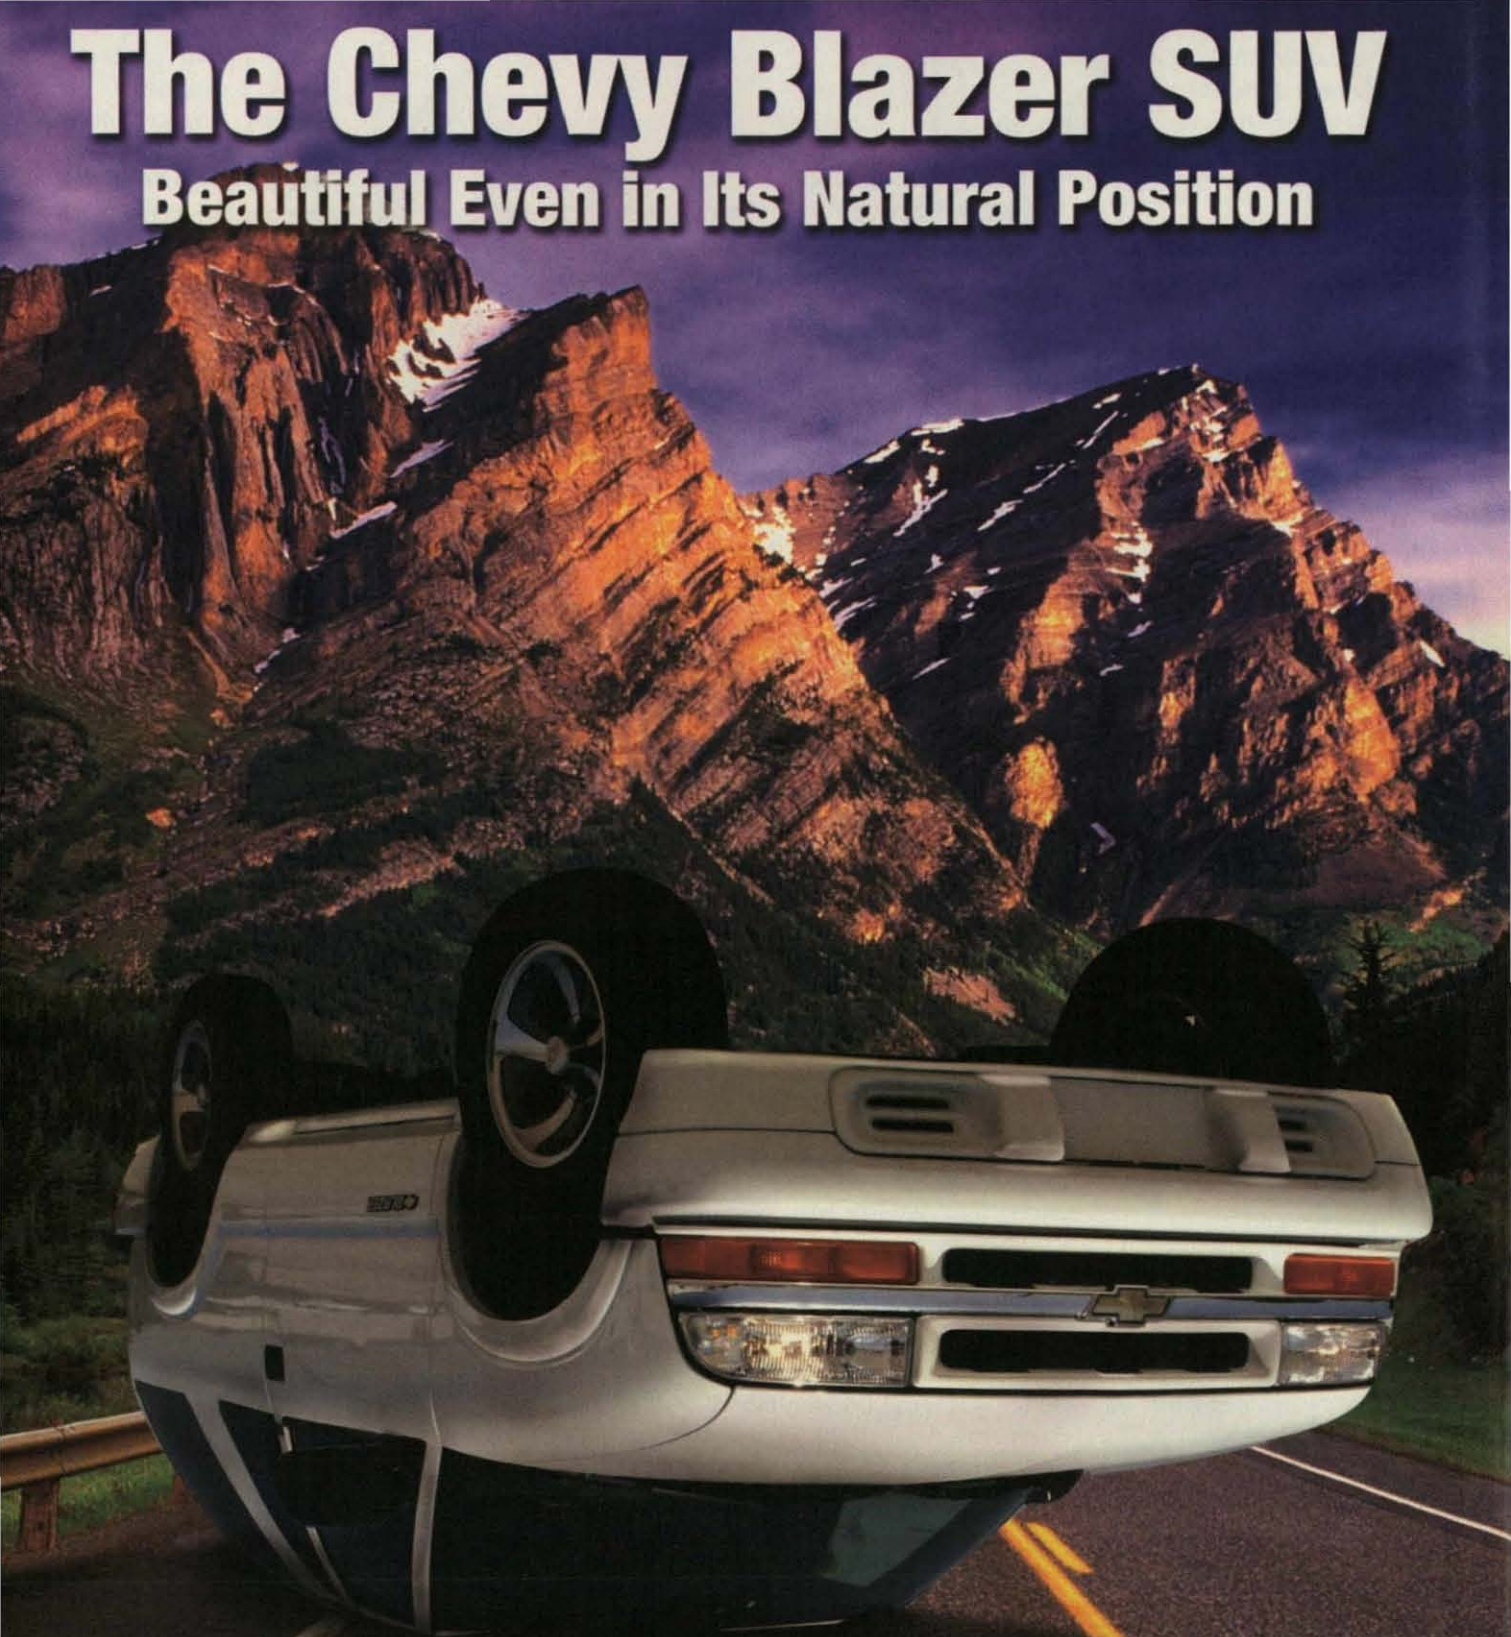
Farts in the Wind

Kendel Ehrlich: "Really, if I had an opportunity to shoot Britney Spears, I think I would," huffed Maryland's first lady Kendel Ehrlich, in apparent jealousy over Spears's ability to arouse men. Ehrlich, incidentally, made this murderous declaration of moral outrage at a domestic-violence prevention conference. There's no irony in calling Ehrlich an Asshole.

Leonard Gregg: Gregg recently pleaded guilty to igniting what became the largest wildfire in Arizona history. The blaze, which Gregg set in June 2002, charred nearly half a million acres and destroyed more than 400 homes. In court documents last year, Firebug Gregg told an investigator that he'd sparked the inferno in hopes of picking up work as a seasonal firefighter, but his attorney argued that Gregg wasn't mentally competent to stand trial because he suffered from fetal alcohol syndrome. Burning Asshole syndrome, more likely.

The Chevy Blazer SUV

Beautiful Even in Its Natural Position



When it comes to *feeling* safe on the road, the two-door Chevy Blazer SUV can't be beat! The Blazer's extra height and narrow width make soccer moms feel ten feet tall. Sure, there are those do-gooders who whine and complain about the Chevy Blazer's poor rollover resistance rating for the past three years, but if those Chicken Littles had their way, we'd all be riding bicycles like they do in China. When you get behind the wheel of a Blazer, we promise you'll have the illusion of safety, and in this uncertain day and age, what more could you possibly want? Just don't make any sudden turns.

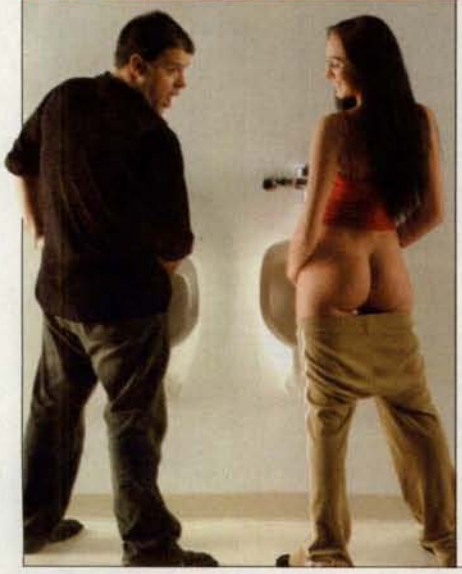
HUSTLER Parody. Not a real ad. This is a social commentary on the dangers of SUVs, which the auto industry would have us believe have been eliminated. According to the National Highway Traffic Safety Administration, in a single vehicle crash, your risk of rollover is at least 40% greater in a two-door 2003 Chevy Blazer. To see how dangerous the government says your SUV is, please go to www.nhtsa.gov.

The Kobe Bryant Optical Illusion

We're not saying Kobe is guilty or innocent, but if you want to see what *might* have happened that fateful night in Eagle County, Colorado, then follow these directions:

Focus your eyes on the dick and the ass, then slowly bring the magazine closer to your face. See? Now, call a lawyer and break the news to your wife.

Piss-Poor Idea



The city of Minneapolis is actually considering making their public restrooms unisex. Apparently, women have complained about long lines at the john at the Metrodome and often sneak into the men's room anyway. Is co-urination a good idea? Sure, you might get lucky and see a hot chick taking a leak, but what about Grandma grunting and sweating as she shits bricks in the next stall? That pretty much ruins the magic for us.

Porn From the Past

He Finally Used Lube!

Thanks and $150 go to B. H. of El Prado, New Mexico, for this lovely lady assuming the position. Send your smut of yesteryear to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned. HUSTLER is not responsible for lost pictures.

Plaques for Squacks

Larry Flynt

Amber Lynn

Carmen Luvana

Sexier than the MTV Video Awards and less respected than the Soul Train Music Awards, the 16th annual Night of the Stars shined brightly in Los Angeles as the adult industry awarded porn's finest private parts. Amber Lynn took home the Lifetime Achievement Award in the Actress category; we suppose that's a legit accolade, if you consider taking it up the ass "acting." Porn star Carmen Luvana also attended the festivities, but unfortunately kept her clothes on. This lack of nudity probably disappointed our fearless leader, Larry Flynt, who was also on hand, but the Night of the Stars was for a good cause: to support the Free Speech Coalition, which works to preserve the rights of the adult-entertainment world. Cutting Loose

In the sleepy college town of Durham, New Hampshire, an unidentified man dubbed "Jack the Snipper" has been sneaking into unlocked apartments of young, attractive women and cutting their clothes off as they sleep, taking the clipped scanties with him as a souvenir. The University of New Hampshire is keeping its dorms locked 24 hours a day, and the local police are consulting with the FBI and combing through sex-offender registries (they've even formed a special task force with other states). This all seems like overkill to us; the easy solution would be to require these hot, young girls to sleep in the nude; then the lingerie thief would have nothing to steal.

Suck Our Eucharist

HUSTLER raised more than a few eyebrows when we held a vigil outside Fox Studios in Los Angeles to pray for the death of Bill O'Reilly on August 5, 2003. But we really caught hell from Louis Giovino, spokesman for the Catholic League for Religious and Civil Rights, who said, "This is more than a sick joke, this is an expression of evil." Of course, this is the same Louis Giovino who insists that Catholic hospitals shouldn't have to offer emergency contraception to rape victims. At least when he spouts off about evil, he's speaking from experience.

NEWSBITES

Dear Diary: In Mississippi, Michael Clay Woods was arrested for allegedly fondling full-figured women, a/k/a "fatasses." Police say the alleged girth-grabber usually touched their breasts and once went for the feet and calves. The most damning evidence is Woods's diary, which reportedly lists details of the alleged incidents. The cops believe he may have been using the descriptions of his strange sexual activity in some songs he was writing. *Err*, isn't that R. Kelly's songwriting technique?

My Mother the Stripper: On her son's birthday, a 34-year-old woman in Sharon, Pennsylvania, allegedly took her boy and his three friends (all under the age of 16) to Ohio, bought them beer, got a hotel room and put on a striptease. Mother Loose reportedly gave all the boys one-dollar bills and told them to put the money in her bra and panties while she danced. Mom now faces charges of corruption of minors, indecent assault and reckless endangerment. To add insult to injury, none of the boys tipped her.

When Moms Go Wild (Again): Jacqueline McMahon, 52, pleaded guilty to misdemeanor battery stemming from an incident at her daughter's bachelorette party. Police report that partygoers became angry when a substitute male stripper showed up late, ended his show too soon and didn't show the bride enough attention. McMahon admitted that she attacked the hapless stripper, who suffered head injuries, bruises and scratches. No word on whether or not there will be a rematch at the wedding reception.

Sunburned Scrotum: Even though public nudity is legal in Santa Cruz, California, some humorless busybody called the cops on a homeless man who was sunbathing in the altogether on Its Beach. Kurtis Dapont had no ID (or anything else) on him at the time, but told the police that there might be a warrant for his arrest because of an unpaid ticket. His story checked out, and Dapont ended up in jail with a roof over his head and new clothes at taxpayer expense. Who says the system doesn't work?

Speedo Gonzales: In Little Rock, Arkansas, Phillip Beard found himself in big trouble for allegedly wearing a tiny black Speedo bathing suit at a Taco Bell. Store employees called the police, who charged the scantily clad customer with indecent exposure. Although Beard never exposed his genitals, Arkansas state law defines indecent exposure as "conduct likely to cause affront or alarm." Perhaps Taco Bell should also be indicted, as their food affronts taste buds and causes intestinal alarm.

Intercourse With a Vampire

After performing in hundreds of adult films, there's not much that Taylor Wane hasn't done; so now the veteran porn star is spreading her career (and legs) into the world of X-rated comic books. Wane's alter ego, Vamptrix, is a cross between a vampire and a dominatrix, with an unquenchable taste for blood *and* cum. When the lusty dark angel isn't out prowling for victims, she's getting it on with her slaves. Could this signal the final death knell of the Comics Code Authority? We certainly hope so. Illustrated and written by Tim Taylor, and published by H Bomb Comics, *Vamptrix* is available at most comic-book stores or at **www.TaylorWane.com** and via mail at **P.O. Box 572229, Tarzana, CA 91357**.

Artist Steve Montiglio describes his work as "conceptual realism." Montiglio's work has appeared in *HUSTLER Comix*, *RAGE Magazine* and in the movies *All the Pretty Horses*, *Hellraiser III*, *Lord of Illusions* and *Titanic*. CELEBRITY FANTASY

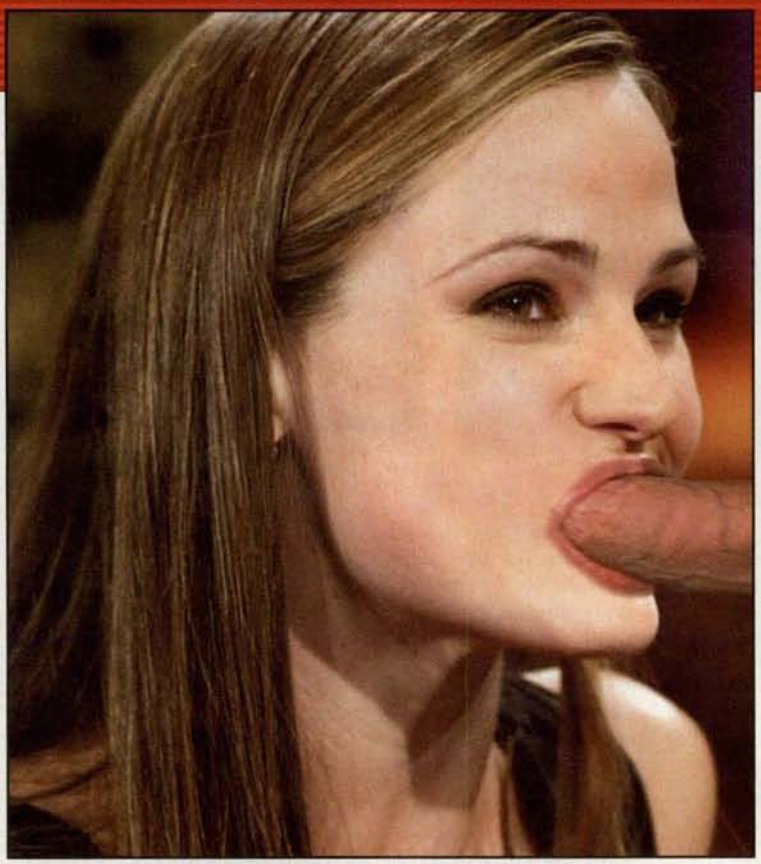
What would Jennifer Garner look like with a dick in her mouth?



Jennifer Garner, who plays a sexy secret agent on the hit show *Alias*, has agreed to appear in a CIA recruiting video to lure new applicants at job fairs and college campuses. Apparently, Garner doesn't have a problem shilling for a clandestine agency that has participated in overthrowing foreign governments and violated the civil rights of U.S. citizens for decades. Perhaps the shapely TV spy should use her mouth for something more positive.

Disclaimer: No such picture of Jennifer Garner exists. This is a social commentary on an actress who could be volunteering her celebrity status to advocate for human-rights organizations, but instead pimps herself out for the CIA, who are notorious for their antidemocratic activities.

Give Her a Cum-Drenching the ultimate fuck She'll Never Forget

By Nancy Ann

Learning "The Ropes"...

I'd like to share a letter from a reader, about a secret that makes sex absolutely explosive (literally!).

Amy writes:

Nancy, my boyfriend has always been able to satisfy me sexually. With an ample cock-size, average endurance, and creative oral technique, he almost never fails to get me off. But what I experienced the night he returned home from a business trip in Europe was the surprise of my life—a fucking I will never forget, and an orgasm that no man before him has ever come close to equaling.

Since I love to suck cock, the second my boyfriend dropped his luggage I stripped off his clothes and proceeded to please him with my best welcome-home blowjob.

Before long my wet mouth had him pumping gob after hot gob down my throat and on my face. With a fistful of throbbing cock, I held on for dear life as he unloaded his sweet jism; these were "power throbs" that kept launching massive amounts of come. I've never seen anything like it—a man having a multiple! I was so totally turned on being nearly drowned with his super-human load. And it didn't stop there! He stayed erect, throwing me down on the floor and pounding my twat until we both had simultaneous, earth-shattering orgasms, practically causing both of us to pass out. The rest of the evening and throughout the week we fucked ourselves into a frenzy; his recovery time between these supercharged orgasms was that of a teenage boy.

Since that mind-blowing night, all I can think of is sucking and fucking my new "power lover" all hours of the day and night. Finally, curiosity got the best of me, so I asked what had turned him into such a fuck machine. His answer: He had learned "The Ropes."

Turns out my boyfriend had spent an evening in Europe with a Swedish nutritionist and his wife of 20 years. The couple was openly sexual and couldn't keep their hands off each other, so my boyfriend asked them their secret. The nutritionist explained he regularly took a natural supplement, and gave my boyfriend about a month's supply, telling him it would teach him "the ropes" of great sex.

The supply is about to run out, and we want to know where we can buy this incredible enhancement. Do you know if this product is available in the States?

Amy B.
Dallas, Texas

Amy, you and the rest of my readers are in luck, because it just so happens I do know about "the ropes," and the supplement your boyfriend's Swedish nutritionist friend likely shared.

The physical contractions and fluid release during male orgasm can be multiplied and intensified by using a product called Serogen. It's a natural, pure extract specially formulated to trigger better, more powerful orgasmic experiences in men. The best part, from a woman's perspective, is that the motion and experience a man can achieve with Serogen can help stimulate a strong female orgasm.

The term the Swedish nutritionist used is actually fairly common slang for the effect your boyfriend experienced. The enhanced contractions and heightened orgasmic release are often referred to as "ropes" because of the rope-like effect of release during climax.

As far as finding this enhancement in the States, I know of just one importer—Somalab. If you are interested, you can contact the company toll-free at 1-866-SOM-A-LAB or visit the Web site www.somalab.net. Serogen is an all-natural, herbal-derived tablet. Most people I've spoken with have said that just taking three a day has led to the roping effect Amy describes in her letter.

A REAL SWINGER
CARRIE STARR
PHOTOGRAPHY BY MICHAEL BISCO

Carrie is from the south coast of England but recently moved to London to become a singer. "I love Michelle Branch. I'm taking singing lessons. I want to be on MTV," the future songbird giggles. If that doesn't work out, the British babe says she'd like to be a teacher, noting, "I really love working with children."

While in the U.S. to do her photo-shoot, the leggy blonde noticed some stark differences in movie theater audiences. "In England, if you cough or sneeze in the theater, it's very frowned upon, but in America, people cheer and clap and everything," she laughs. Speaking of generalizations, what about the impression that English guys have rotten teeth? She rolls her eyes. "They're not all terrible," the British bombshell claims. "That *Austin Powers* film has cursed England!"

BORED IN THE U.S.A.

By Sharon Bass

The candid revelations of three housewives and one guy seeking fun and excitement on live chat lines.

Calls to LIVE chat lines are at EXPLOSIVE LEVELS from HOUSEWIVES looking for fun, and wanting to talk to guys (married or not) about anything and everything. We found three women and one guy who frequent a very popular chat line called **1-800-WIFE-CHAT** and asked them why they are turning to a phone line for sex. Not surprisingly, the answer to our questions seemed to lead down one common path each time - Uninhibited, Instantaneous SEX, anytime, anywhere.

It's Friday night, "Susan's" husband is away on a business trip and her pussy is dripping wet with no one to satisfy her. Does she reach for the vibrator again? No, first, she picks up the phone and calls **1-800-WIFE-CHAT** looking for a man that will make her come over and over again.

"I get so lonely. and bored. Weekends and evenings are so hard on me, so I fix it fast, by finding a horny guy on the chat line who's...REALLY HARD and ready for me!" exclaims "Susan". She continues, "Calling the chat line for no-holes-barred sex talk is a necessity, it's become part of my evening routine."

I GET SO BORED AND LONELY

"Stephanie" will be the first to tell you she has an insatiable need for sex. "My husband is a great guy but he can't keep up with me." she says. "I call **1-800-WIFE-CHAT** about 4 times a week. It's free for me, and luckily, Daniel (husband) sort of looks the other way. It works for both of us, I get a different guy when I want and he gets to sleep through the night."

As "Stephanie" spins her wedding band around her finger she admits, "Just cuz I'm married doesn't mean I can't have sex chat with anonymous guys." she says. "It (being married) adds another level of excitement to calling the chat line."

"Stephanie", (married 5 yrs) in Florida admits, "The chat line feeds my continuous need for sex. My husband just can't keep up with me."

UNINHIBITED, INSTANTANEOUS SEX, ANYTIME ANYWHERE!

"I'm a realtor so I'm always working. Scheduling sex with my husband just doesn't work for me. I've been calling the live chat lines for eight months." claims "Kim".

Spontaneous live chat sessions are common in "Kim's" hectic life as a Realtor. "When I want it, I want it NOW! I'm always on the phone so I can get away with it very easily."

"I came five times on one call....while in my car!"

"I admit, when I first called I was nervous, but this guy had me rubbing my clit within minutes. Needless to say, it made me so hot, I've been calling ever since. I can't get enough of talking about sex, some might say I'm addicted to it."

"Kim" says she's made many new "friends" since calling **1-800-WIFE-CHAT**. "I actually met one guy for an innocent lunch which made our future calls with him even hotter. It seemed liked I was cheating....but I wasn't. Talk about having your cake and eating it too!

100% REAL HOUSEWIVES

"Yeah, I was skeptical about the girls on chat lines." Says "Will" computer programmer by day, chat line stud by night.

"Turns out, **1-800-WIFE-CHAT** is the REAL deal, they're 100% real married chicks, no actresses like other chat lines. I was surprised by how many wives liked to talk sex for hours." Will exclaims. "Some of these chicks can't get enough of me. It only cost's me $1.99 a minute and I get to fuck as many married women as I want!"

> "No actresses like other chat lines."

Warning - **1-800-WIFE-CHAT (1-800-943-3242)** is an adult community designed to connect Horny Men with Bored Housewives for explicit adult chat and is intended for people 18 or older only.

Raiderette Nude-Photo Scandal

Photos by Mark Daughn, Courtesy of

It would seem impossible to offend the Oakland Raiders' sense of decorum, but cheerleader Danielle Gamba managed to pull it off. The team fired Gamba when the organization learned that the 20-year-old had posed for these (and other) nude photos for Mystique-Magazine.com. HUSTLER caught up with Gamba at San Francisco State University, where she studies fashion design. The ex-Raiderette spoke candidly about her NFL controversy.

HUSTLER: Tell us your story from the beginning.
GAMBA: I entered the Model Safari Competition [sponsored by Mystique] last year. I never thought in a million years that I would win. It was a pretty lengthy process of elimination. It would go month by month as they narrowed it down to a group of girls. During that time, I had tried out for the Raiderettes, and I made it. It was probably about two months into the season that I found out that I won the contract from Mystique. I ended up posing for them, and the Raiders found out about it. They didn't appreciate the type of modeling that I was doing and dismissed me about two weeks ago.

HUSTLER: How did the Raiders learn that the pictures were on the Internet?
GAMBA: Honestly, I still don't know to this day.

HUSTLER: Is there any clause in the Raiderette contract that forbids you from posing nude?
GAMBA: There is a morality clause. We can't do anything to embarrass or offend the other girls, and it does include partially nude or nude [photos].

HUSTLER: Have other Raiderettes posed nude before?
GAMBA: Yes. Based on my research so far, I've found one Raiderette named Jane Lubeck. I didn't cheer with her, but she's actually a friend of a friend, who told me that she had posed for [the September 1974] *Playboy*. She did quite a big spread for them and faced no repercussions or anything.

HUSTLER: Why do you think you've been singled out?
GAMBA: I don't know. Like I said, the contract's black and white, but there are other things, like Jane Lubeck's situation, that caught me by surprise. Some of the girls have told me that there were strippers on the squad in previous years who were just asked not to come back once the team found out. They weren't dismissed or fired.

HUSTLER: Are you going to sue to get your job back?
GAMBA: No. It's not about legal justice; it's just a personal thing, in all fairness.

HUSTLER: The Raiderettes put out their own calendar in which the girls pose provocatively in skimpy outfits. Aren't the Raiders being hypocritical?
GAMBA: I don't want to put any negative light [on it]. Like I said, it's surprising, because we can walk around in G-strings in the public out on the beach, wearing close to nothing, but then we can't take pictures without removing that string.

HUSTLER: Are you lobbying to get back on the squad?
GAMBA: There's actually a petition going [around] right now—www.Geocities.com/BringBackDanielleGamba—which is really sweet. I would love to come back if they would have me, but right now it doesn't look too optimistic.

HUSTLER: Perhaps with the petition drive and all of this publicity, the Raiders will hire you back.
GAMBA: Yeah, my fingers are crossed. I hope I'm not upsetting them by doing these interviews.

HUSTLER: Is it fun to be a Raiderette?
GAMBA: It's fabulous. I worked so hard to become a Raiderette. All the girls are great. There were so many different experiences that I had, not just cheering at the games. I got to do a Fourth of July parade, and we just welcomed home troops from Iraq at the [Travis] Air Force base. I think that was my favorite.

HUSTLER: How long were you a Raiderette?
GAMBA: From May; so only about three months.

HUSTLER: Are you from the Bay Area?
GAMBA: Yes. I'm a native.

HUSTLER: Do the Raiderettes pay well?
GAMBA: No. You don't do it for the money, definitely. It was costing me more money just to do the commute and drive out to Oakland three or four times a week. That's okay. I love to dance, and that's what it was all about. So it was worth it, no matter how much I got paid or [was] in debt because of it.

HUSTLER: Did you get to keep your uniform?
GAMBA: No. They made me return it. I had to return it yesterday. I kept it until the very last day that I possibly could.

HUSTLER: Do the Raiders allow their cheerleaders to date the players?
GAMBA: The Raiders are the only organization in the NFL that does allow the cheerleaders to date [players]. All of the other ones have rules against it.

HUSTLER: That's odd that they're the most lenient in that regard, yet they fired you.
GAMBA: Exactly.

Photos by Mark Daughn. Courtesy of www.Mystique-Magazine.com.

HUSTLER: Have you ever dated a player?

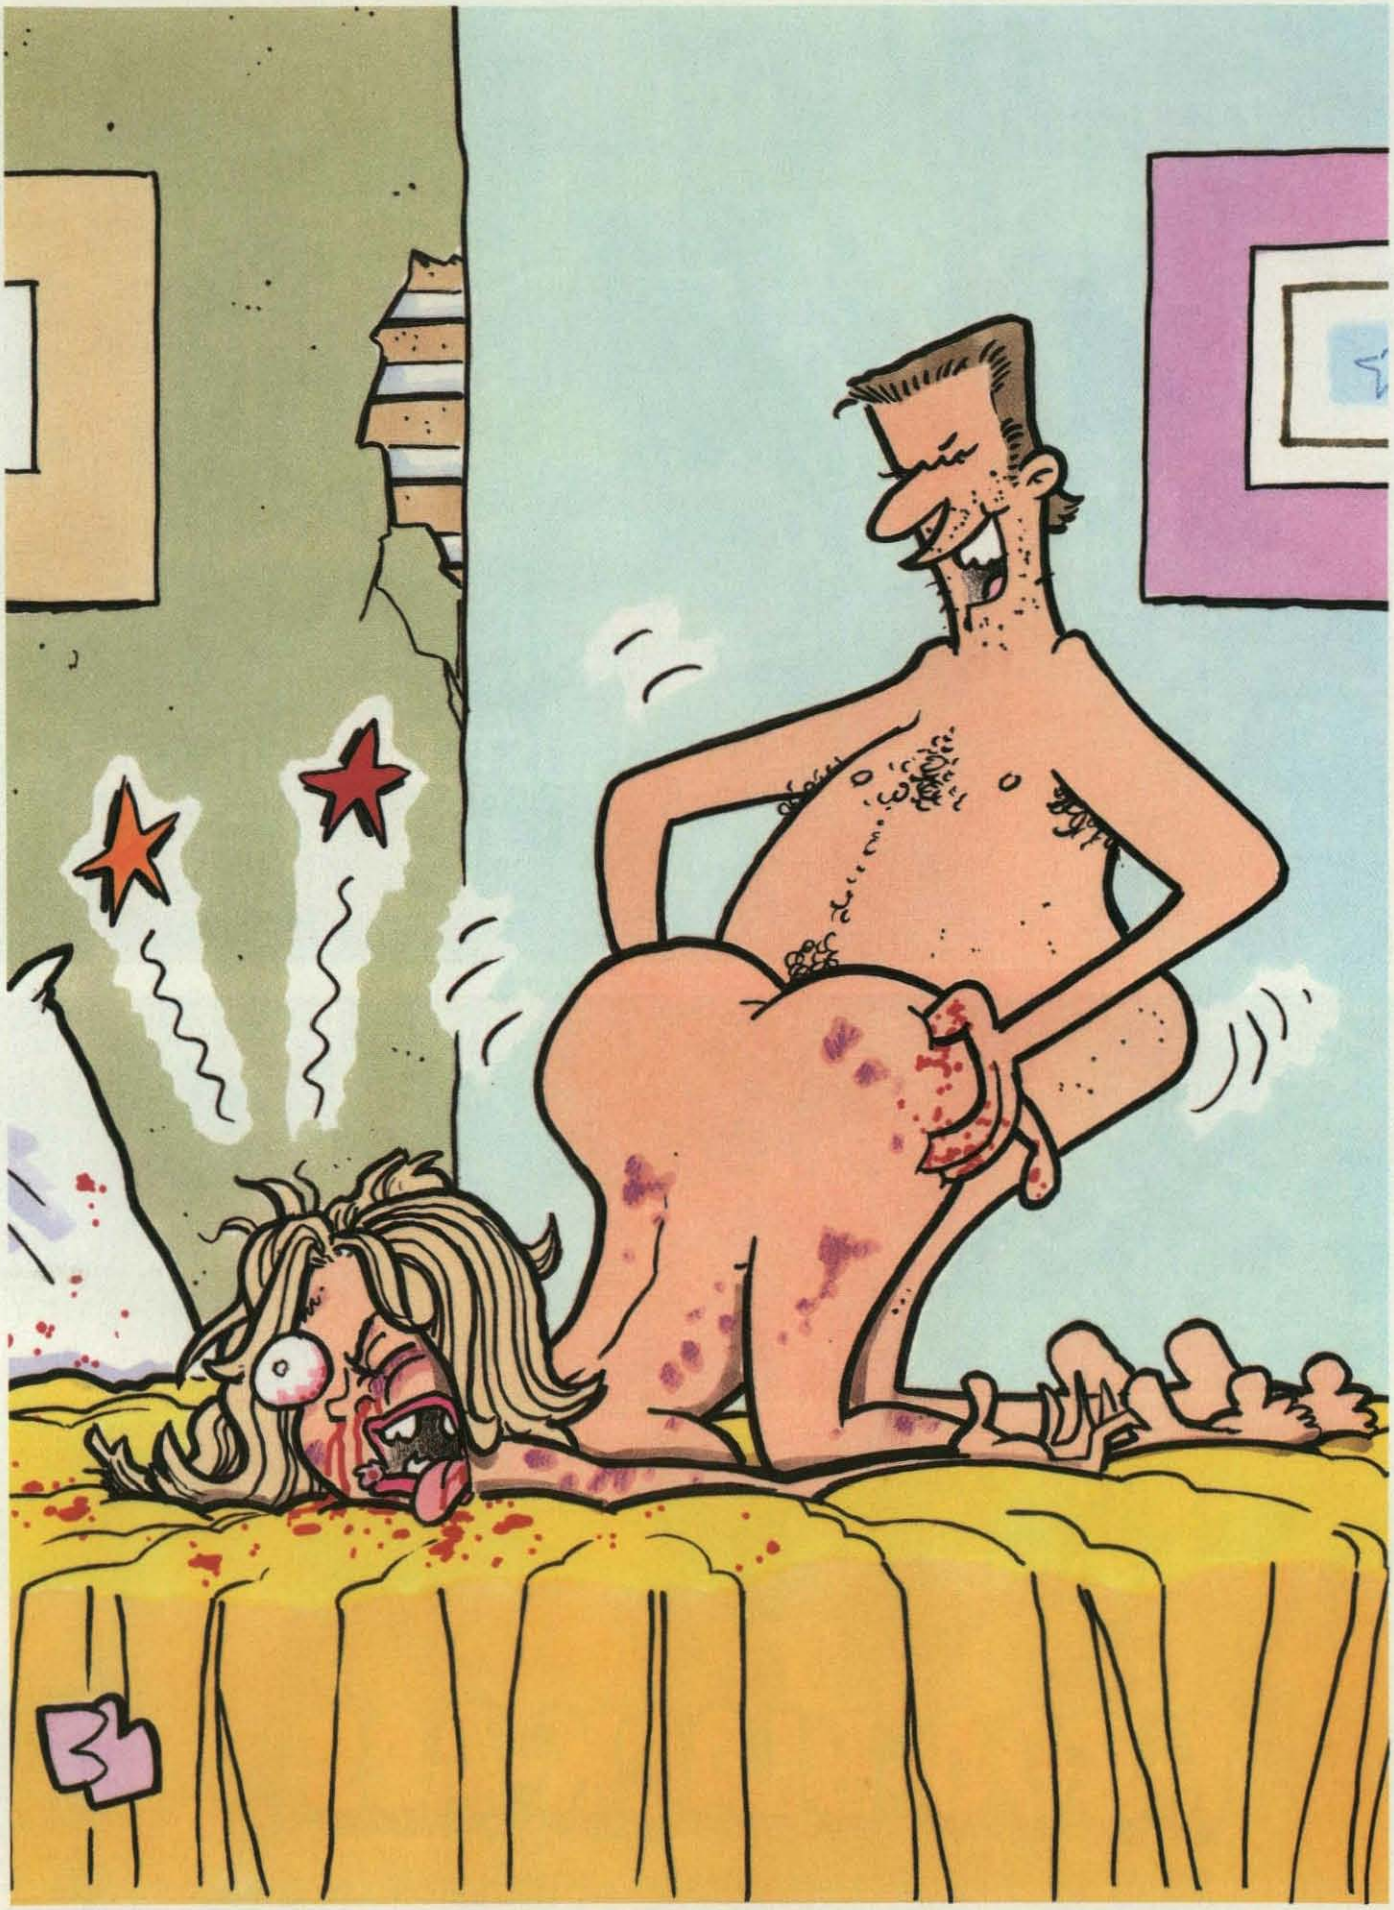
GAMBA: No, I haven't, but it was funny. [Bill] Romanowski just got into a fight; he broke someone's eye socket at practice last week or the week before, about the same time as my dismissal. People around town were saying, "Oh, yeah, they got into a fight over that cheerleader that got kicked off." I've never even spoken to either of them; so it wasn't about that, but it was funny to hear that.

HUSTLER: The funny thing is that he probably won't get fired for breaking someone's eye socket, yet you were canned for posing nude.

GAMBA: He got suspended for a day. I'm getting a lot of feedback about that: "It's nice to know that the Raiders have their morality all correct and everything." They suspend Romanowski for one day, and I get the boot for taking off my clothes.

HUSTLER: What do people at school say about all of this?

GAMBA: It's funny, because we just started school last week. The teachers will be calling attendance—this happened a couple of times—and they'll say "Danielle Gamba." I'll say, "I'm here," and they'll say, "*Hmmm*, that name sounds really familiar, but your face doesn't look familiar. But I swear I've heard your name somewhere before." I'm like, "Oh, I don't know." I'm sure they probably just read an article. Someone came up to me and said, "Hey, I saw you on *Celebrity Justice* last week," and I didn't even know I was on. Little things like that.



"Oh, yeah! Sex after a big fight is always the best!"

Romancing the Crone

I'm a 22-year-old guy who gets a raging hard-on for geriatric women. I'm not quite sure when I developed such tastes, but I really want to get down with a woman over the age of 65. Do women have sex in their senior years? If so, how should I approach one of these oldsters and explain that I want to pleasure her?

—R. H.
Royal Oak, Michigan

Obviously you're not the only one in the world with this particular fetish, because there's an abundance of 60-plus magazines and videos and, I'm sure, countless Web sites and chat rooms devoted to older women. I certainly wouldn't scout your local retirement village or nursing home, as you might ruffle a few feathers, but I assure you that there is plenty of sex and swapping going on within these senior-citizen centers after hours and behind closed doors. Sex definitely gets better as you get older, and with Viagra for both men and women, the only setback is the lubrication issue that results from decreased hormone levels. I sincerely doubt that you will have a difficult time locating the grandmother of your dreams if you look on the Internet or in your local singles newspaper. Good luck.

Ass-gasms

A friend and I are involved in a debate. Is it possible to shit and have an orgasm at the same time? He thinks so, but I believe it's impossible. I know that I always pee after taking a shit, but it seems to me that it's one or the other when it comes to shitting or having an orgasm. I have money riding on this one, so could you settle the debate for us?

—F. C.
via Internet

I know that men can't come and pee at the same time because there's a little lever in the penis that goes in one direction or the other, but I don't think that any of those tubes or hoses affect your lower colon. It's not out of the ordinary for a woman to release a bit of urine at the point of climax, so it stands to reason that, if the muscles of the anus are relaxed enough, a similar occurrence could happen for men.

Strapped For Sex

Last week my girlfriend stuck a finger up my ass right before I came, and I blew the largest load ever. Because my orgasm was so intense, I thought I'd recommend she use a strap-on to give me further pleasure. How should I approach this topic without freaking her out, and can I expect a better orgasm?

—J. P.
Allentown, Pennsylvania

Firstly, you don't want to jump from a finger to a dildo in one step, because such an activity needs to be worked up to. You've got to start slow to avoid tearing the anus. I highly recommend that your gal gradually prep your dirt chute by wearing a latex glove or placing a condom over her fingers (to prevent scratches) in conjunction with a liberal amount of lubrication. Obviously, if she stuck her finger up your butt without asking you first, she's not shy about butt play. She's discovered the prostate gland, the male equivalent of the G spot.

Mad For M.I.L.F.

I'm 18 and my friend's mom is probably in her early 30s. She's also divorced. Last week I went over there to see my buddy, and she invited me in. She said he wouldn't be back for a few hours and suggested we have a couple of beers. To make a long story short, she gave me the best blowjob I've ever had in my life. It felt great at the time, but now I feel guilty. Should I say something to my friend? Should I continue to go over to his house for blowjobs?

—V. L.
via Internet

No good purpose will be served if you tell your friend about this isolated incident, but you need to weigh what's more important: your dick or your friendship. If this is a good buddy that you've known forever, then I suggest not having sex with his mom. However, if this is just a guy that you've swapped science notes with, go forward with the relationship if that's what your heart desires.

XXX director Pierre Woodman is rich, somewhat famous and may very well be the ultimate super-fucker.

Profile by Dan Kapelovitz **Photography by Matti Klatt**

Pierre Woodman, the man behind popular porn series such as *Superfuckers*, *HUSTLER XXX* and *Anal Intensive*, is one lucky smutmonger. Not only has the auteur of ass-banging made millions of dollars and fucked thousands of women, but he has also, on a number of occasions, cheated death.

In his quest to produce the most beautifully filthy porn on the market, the baby-faced, 40-year-old Frenchman spans the globe, seeking exotic locations for his fuck flicks. With shots of soaring birds, magnificent landscapes and beautiful vegetation, many of Woodman's films resemble *National Geographic* nature documentaries—until his camera reveals two musclebound dudes double-penetrating a barely legal babe.

Woodman's quest for a beautiful location in Bali, however, nearly led to his demise. The XXX director was shooting a scene and noticed a couple of men masturbating to the proceedings. After busting their respective nuts, the men disappeared, and Woodman finished filming. When he went back to his hotel, Woodman was greeted by dozens of police officers, one of whom was one of the self-abusing looky-loos.

The jackoff-cum-law enforcement officer put Woodman in handcuffs and whisked him to police headquarters, where the chief told Woodman that shooting pornographic films is forbidden in his country.

To further illustrate his point, the chief produced a newspaper clipping with a picture of a man whose decapitated head was sitting on a plate. "Two months ago, I take off his head because he do the same job like you," he told Woodman. "You are next."

At first, Woodman was too scared to even speak, but he soon gained his composure and informed his would-be executioner, "If you cut off my head, your life will not change. And me, I will lose my life. But if you help me, and we become friends, I will make you good

money." Woodman explained that he too was at one time a cop and understood that police are not paid well.

The gendarme asked Woodman how much money he could cough up. Woodman actually had a whopping $185,000 in his hotel room, but he told his accuser, "I can give you one thousand, maybe two thousand dollars. I don't have much money in cash."

The man demanded $10,000, adding, "You have two hours to bring it back to me, or I'll kill you."

Woodman surprised the cop when he returned with the agreed-upon sum. Thinking that the officer might kill him anyway, Woodman told the man that he planned on coming back every three months to shoot more films, and that he would pay him each time. Ecstatic with this news, the cop not only let Woodman complete his movie, but lent him his men and equipment.

Needless to say, Woodman never went back to Bali.

Some may argue that this wasn't luck but rather shrewd thinking on Pierre's part. That may be, except for the fact that this trouble with the authorities caused Pierre to miss his plane, which went down, killing all 466 passengers.

Most sane men would learn from such an experience. Not Woodman. Not long after, he traveled to Egypt, where he snuck into a forbidden zone on the back side of a pyramid in order to shoot footage. Again, Pierre was arrested. This time, when Woodman attempted to bribe the officer in charge, the cop became outraged and said that if Woodman spoke of giving him money again, he would spend the rest of his life in prison.

After spending a night in jail, Woodman went back to the very same area with a camcorder, bribed the guards and shot the rest of the material he wanted. "I'm crazy," Woodman admits. "I've never seen this place in any book about Egypt, and I knew it was something unique that nobody will have on video."

Woodman may be lucky and crazy, but perhaps *stupid* better describes someone willing to risk his life for a few seconds of nature footage that some horny mook will most likely fast-forward through. Still, Woodman lives a life many men would sacrifice a testicle for. So how did a former French cop become an outlaw pornographer with a $5-million video contract?

It seems that Woodman's entire life has led up to him becoming the ultimate sex maniac. His grandfather, who lived much of his life in China, taught the young Pierre many ancient Chinese sex secrets. When Woodman was seven, his grandfather instructed him to exercise his sex muscles every day. "He said to me, 'Don't try to know why, but every day at the school, you do 100 times like this [*tightens his stomach muscles*] with your abdomen. Later, you will see it will be fantastic for you when you have sex.' "

Even before he lost his virginity, Pierre earned the Woodman nickname. Oddly, his seemingly carnal pseudonym has nothing to do with sex. When Pierre was a child, he was such a master tree climber that the older children dubbed him Woodman, man of the woods. (It wasn't until 1995, when Pierre came to a porn-awards ceremony in America and Jenna Jameson told him that his nom de XXX had sexual connotations in English, that he became aware of the double entendre.)

At the age of 19, Woodman became a cop in France but, through some friends he had made in Paris, he was able to shoot photography for mainstream magazines. He even shot Madonna (with a camera, alas). He quickly gave up his law-enforcement job to pursue the visual arts. Then in 1989, a French porn company asked Pierre to shoot some behind-the-scenes material. In 1992, Pierre shot his first XXX layout, and the next year, he lensed his first full-length porn flick.

At an awards ceremony, Pierre met his childhood hero, Larry Flynt, who told the filmmaker that he liked his work. A few years later, Flynt offered Woodman the chance to work for then-emerging HUSTLER Video and offered him an unprecedented contract.

Die-hard perverts might quibble that all of the money in the world is meaningless if you are not also scoring tons of poontang. On that count, Pierre is also very fortunate. In September 2003, Pierre fucked his 3,000th girl (yes, he keeps notes). When asked how many of these women he has fucked in the ass, he replies, "All of them."

Still, the mastermind behind *Anal Intensive* maintains that he's not obsessed with invading the ass. He doesn't even necessarily prefer the anus to the vagina: "If a girl has a big pussy, of course, I prefer to fuck her in the ass, because I don't have the dick for her pussy—I have the normal sex [organ] and not the elephant. But if a girl has a tight pussy, like my girlfriend now, it's the same."

Woodman's speciality isn't so much fucking, but

Woodman works his magic while lensing the HUSTLER Exxxotica series.

rather convincing girls to fuck. In fact, his latest video line, *HUSTLER Casting Couch X*, is all about Woodman's persuasive techniques. Woodman prides himself on getting women who have never appeared in porn to star in his films.

Instead of going through a XXX modeling agency, as many porn directors do, Pierre has his own team of talent scouts who travel the globe, looking for fresh meat. After they've gathered approximately a dozen girls, Pierre interviews them.

Many of the women, including current porn queen Yasmyne, the highlight of *HUSTLER Casting Couch X*'s first installment, think they are applying to be mainstream fashion models.

In Yasmyne's case, Pierre interviews the Hungarian actress in a room somewhere in Budapest. He hands the girl a porn magazine and explains that he wants her to do nude modeling. On the tape, the then-18-year-old, self-proclaimed virgin is visibly uncomfortable and says she has to leave. She does, but not before Woodman convinces the raven-haired naïf to pose for him in her bra and panties.

Two months later, Yasmyne returns. After much persuasion, Woodman eventually finger-bangs her, eats her out, fucks her in the pussy and ass, and comes in her mouth.

Only after the dirty deed is done does Woodman ask his future starlets to sign a model release. Lamentably, many girls refuse, and Woodman has tons of sex tapes he can never offer to the world.

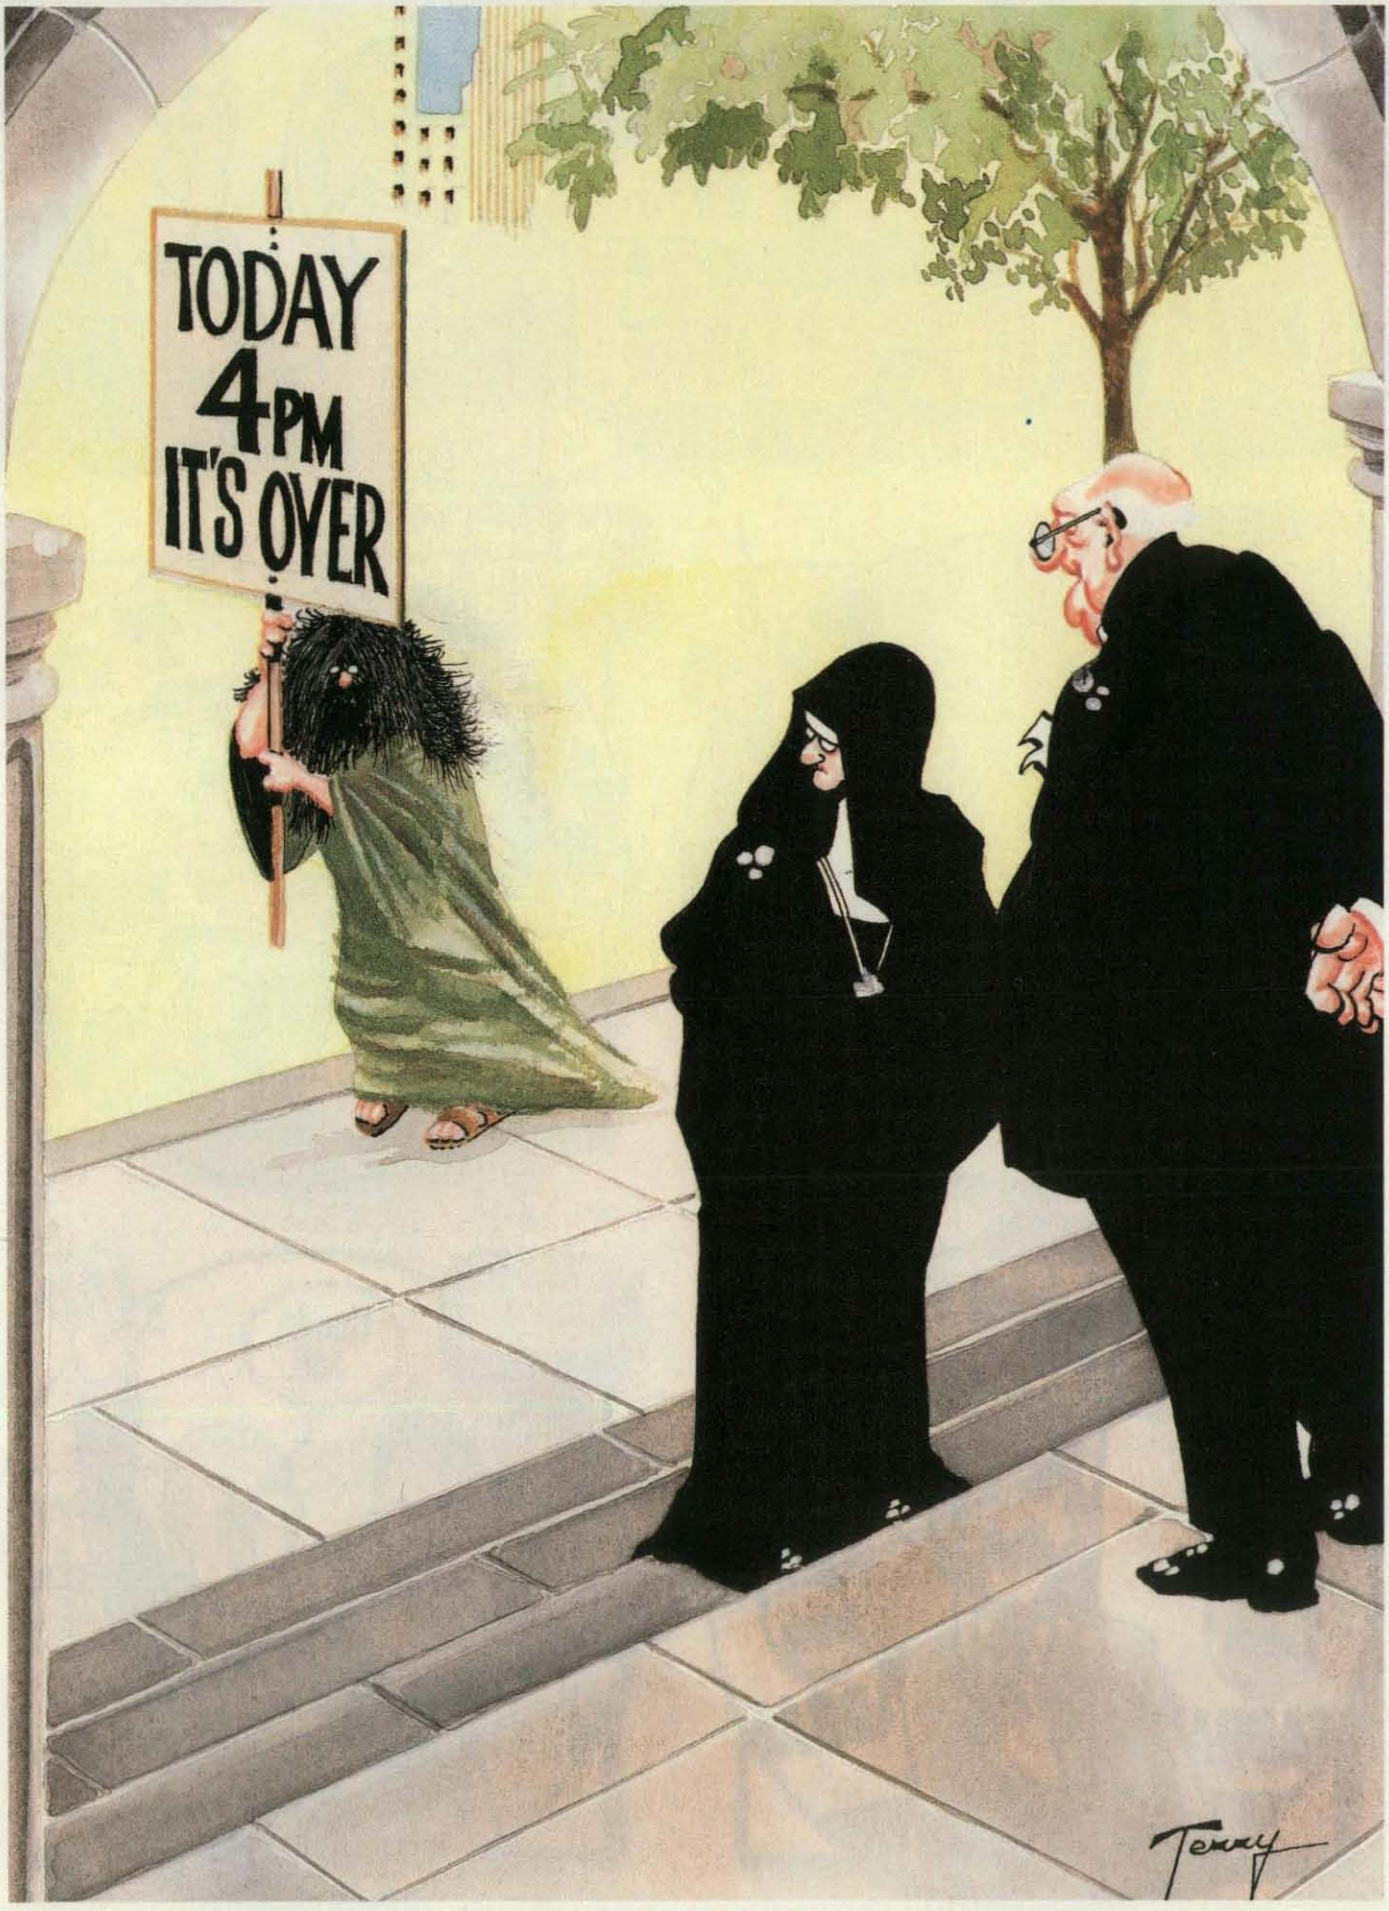
Woodman says he will spend months, sometimes years, trying to get inside a girl's pants. If cold, hard cash doesn't work, Woodman uses psychology. For instance, if a girl doesn't want to do porn based on her religious convictions, Woodman will first go about proving to her that God doesn't exist. Once this goal is accomplished, he can convince the girl to fuck him. "I like it so much," he says. "It's a challenge."

Although this sounds counterintuitive, Woodman claims that the dumber the girl is, the harder it is to convince her to fuck him. A stupid girl's mind is more difficult to penetrate—plus, she can't follow his logical arguments.

Presumably, Yasmyne was one of the smart ones. As evidenced in *HUSTLER Casting Couch X #1*, when she protests that she is a virgin, Woodman gets her to admit that she had been with women before. "Then you're not a virgin," the crafty horndog counters. He also argues that if she waits until marriage to have sex, she may live the rest of her life fucking a man who is not a good lover. He encourages her to rebel against her parents, and, of course, tells her that she can become a big star and make tons of money. At one point, he even pulls down his pants and says, "My penis is small, look." While it's unclear which argument won her over, Yasmyne not only had sex with Woodman, but went on to star in such films as *Brazilian Snake*, *Superfuckers* and *HUSTLER XXX #20*.

One girl whom Woodman has yet to win over is Hollywood actress Denise Richards (*Wild Things*, *Scary Movie 3*). In fact, she won't even be in the same scene with him. Woodman was set to act with Richards in a mainstream film in which he plays—what else?—a pornographer. He was even supposed to do a simulated doggy-style sex scene with Richards, but when she found out that she was supposed to perform with a *real* pornographer and not just an actor playing a pornographer, she balked. The producers were forced to find a Woodman lookalike for some of his scenes.

Maybe someday Pierre will be able to persuade the *Starship Troopers* sex kitten to star in a future installment of *Anal Intensive*. Or maybe Richards is just too dumb.



"Well, if that's the case, Sister Selena, wanna fuck?"

BIZARRE SEX LAWS OF THE USA

Compiled by Tom Farrell

Sometimes the Long Arm of the Law Reaches Right Into Your Zipper

ALABAMA: Sex toys are banned throughout the state. In Anniston, it's against the law to pay off a pool-hall bet with sex.

ARIZONA: You may not have more than two dildos in the same house.

ARKANSAS: It's unlawful to advocate nudism, and it's against the law to flirt on the streets of Little Rock.

CALIFORNIA: Animals are banned from mating publicly within 1,500 feet of a tavern, school or place of worship. In Walnut, "No man or boy shall dress as a girl or woman without a permit from the sheriff, except for the purpose of amusement, show or drama."

COLORADO: In Alamosa, you can't keep a house where unmarried persons are allowed to have sex. In Logan County, it is illegal to kiss a woman while she is asleep.

CONNECTICUT: In Hartford, it's against the law for a man to kiss his wife on Sunday.

DELAWARE: No R-rated movie may be shown in a drive-in. Only physicians or wholesale druggists may sell condoms.

FLORIDA: Missionary is the only legal sexual position. You may not kiss your wife's breasts. In Tampa Bay, women may not show their bare breasts while performing what city ordinance No. 89-238 refers to as "topless dancing."

GEORGIA: In Roswell County, strip clubs may not be open on Sunday, there is no lap-dancing, nor may you tip the dancers, who must stay four feet away from customers at all times. Sex toys and phone sex are illegal.

IDAHO: In Coeur D'Alene, if a police officer suspects a couple is having sex in their car, he must honk or flash his lights and wait three minutes before approaching the car.

ILLINOIS: In Champaign, it's considered an offense to piss in your neighbor's mouth. In neighboring Crete, it is considered an offense to attempt to have sex with one's dog.

INDIANA: A man over the age of 18 may be arrested for statutory rape if the passenger in his car is under the age of 17 and is not wearing socks and shoes. Also, "the showing of covered male genitals in a discernably turgid state" is against the law.

IOWA: It's illegal to kiss for more than five minutes. A man with a mustache may never kiss a woman in public. In Ottumwa, you can't wink at a woman unless you know her.

KANSAS: Ironically, anal sex is punishable by six months in prison.

KENTUCKY: It's illegal to use profanity while talking about country music singer Loretta Lynn.

LOUISIANA: In Sulphur, phone sex is illegal.

MAINE: You need a license to sell condoms. In Beckfield, cab drivers can't charge fare to any passenger who "gives him sexual favors in return for a ride home from a nightclub or other establishment which serves alcoholic beverages or any place of business selling liquor."

MARYLAND: Men can't appear topless on the boardwalk in Ocean City. Condoms may only be sold in vending machines "in places where alcoholic beverages are sold for consumption on the premises." Anal sex carries a penalty of one to ten years in prison.

MASSACHUSETTS: A woman cannot be on top in sexual activities. In Boston, you may not kiss in front of a church.

MICHIGAN: In Detroit, you can't have sex in your car unless it is on your property. Two people of the opposite sex can't share a hotel room unless they're husband and wife or parent and child. You can be arrested for masturbating in your own home.

MINNESOTA: Minnesota specifically outlaws sex between humans and birds. In Alexandria, it is against the law for a man to have sex with his wife with the smell of garlic, onions or sardines on his breath.

MISSISSIPPI: Adultery or having sex while not married is punishable by a fine of $500 and/or six months in prison. Teaching the doctrine of polygamy is outlawed. It's also against the law to seduce a woman of "previous chaste character" by false proposals of marriage, to be penalized by a maximum sentence of five years in the state penitentiary.

MONTANA: It's against the law to do it in any position other than missionary style.

NEBRASKA: In Hastings, couples can't sleep nude in hotels. The owner must provide them with clean nightshirts, which they must always wear—even during sex.

NEVADA: In Eureka, men with mustaches may not kiss women.

NEW JERSEY: Mutual masturbation is punishable by three years in prison.

NEW MEXICO: In Carlsbad, you can have sex in your car as long as the windows have curtains.

NEW YORK: You can be fined $25 for flirting in New York City. In Staten Island, it's illegal for a father to call his son a "faggot" or "queer" in an effort to curb "girlie behavior."

NORTH CAROLINA: It's illegal to have sex in a churchyard. In Hornytown, massage parlors are illegal.

NORTH DAKOTA: Necrophilia is punishable by up to ten years in prison.

OHIO: In Ironton, cross-dressing is illegal. A woman may not wear patent-leather shoes, since they can show a reflection of her underwear.

OKLAHOMA: In Clinton, it is illegal to masturbate while watching a couple have sex in their car. Oral sex is a misdemeanor punishable by one year in jail and a $2,500 fine. It's statutory rape for a man over 18 to have sex with a female under the age of 18, provided she's a virgin. If she's not a virgin, it is okay, but the said person must be over 16. If both parties are under 18, the law does not apply.

OREGON: In Stanfield, it is against the law for animals to have sex within city limits. In Willowdale, a man can't talk dirty during sex, but his wife can.

PENNSYLVANIA: In Allentown, there's a ban on men becoming aroused in public. In Harrisburg, there's a law specifically prohibiting female toll collectors from having sex with truck drivers in a toll booth. Anal sex is illegal, punishable by a maximum fine of $5,000 and ten years' hard labor.

SOUTH CAROLINA: Anal sex is illegal, but, compared to Pennsylvania, carries a relatively light maximum fine of $500 and five years in prison.

SOUTH DAKOTA: All couples staying in hotel rooms for one night must sleep in double beds kept a minimum of two feet apart, and making love on the floor between the beds is strictly forbidden.

TENNESSEE: In Nashville, males may not be sexually aroused in public. In Skullbon, a woman can't pleasure a man while he's driving. If you're pulled over and your pants are undone, it's a $50 fine or 30 days in jail.

TEXAS: In Dallas, it's illegal to possess "realistic dildos." In Abilene, it's illegal to flirt, or as the law puts it, "plying the avocation of a flirt or masher." Only a registered pharmacist may sell condoms "on the streets or in other public places."

UTAH: In Tremonton, a woman may be charged with a misdemeanor for having sex with a man in an ambulance. The man is exempt from the law.

VIRGINIA: In Norfolk, it's illegal to have sex in a motorcycle sidecar.

WASHINGTON: "Every person who shall seduce and have sexual intercourse with any female of previously chaste character shall be punished by imprisonment in the state penitentiary for no more than five years," which basically means it's against the law to deflower a virgin.

WISCONSIN: In Connorsville, you can't celebrate your female partner's climax by shooting off a gun.

WYOMING: In Newcastle, a city ordinance prohibits couples from having sex inside a store's walk-in meat freezer.

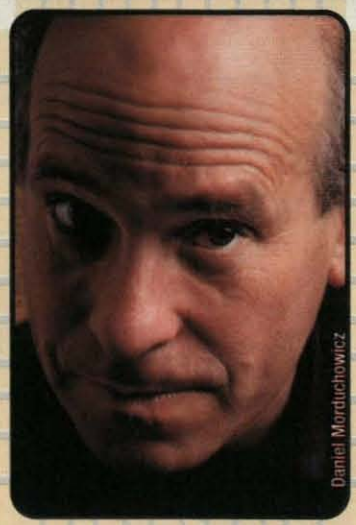
WHO'S COUNTING

Right-Wing Corporations Are Programming and Manning Our Nation's New Touch-Screen Voting Machines. Worse, the Software They Use Is Disturbingly Tamper-Prone, and the Lack of a Paper Trail Makes Fraud Easy. Winning Investigative Journalist Greg Palast, Actor Peter Coyote and Author Bev Harris Explain

GREG PALAST

Fixing the Fixed Voting Machines

Investigative reporter Greg Palast sets the record straight on computerized voting machines.



THE BEST DEMOCRACY MONEY CAN BUY
THE TRUTH ABOUT CORPORATE CONS, GLOBALIZATION, AND HIGH-FINANCE FRAUDSTERS
GREG PALAST

In addition to being the author of the excellent best-seller *The Best Democracy Money Can Buy*, award-winning investigative journalist Greg Palast also hosts the BBC-produced exposé of the Bush family, *Bush Family Fortunes*, which has aired in countries all over the world—except, coincidentally, in America, where the Bush family happens to rule. In the documentary, Palast uncovered many of the details that proved the theft of the 2000 Presidential election and exposed disturbing connections between the Bushes and the Bin Ladens. Currently, Palast is working with Martin Luther King III to bring attention to the fact that our democracy is being hijacked via computerized voting machines.

HUSTLER: Is the fix in on the 2004 election?

PALAST: You may have already voted in 2004; they just haven't told you how. Last year, our President signed a law, with little fanfare, called the Help America Vote Act. As soon as the Bush family tells us that they're gonna help us vote, I say, "Look out." Sure enough, go into the details of it, and it has that old Florida swamp smell. I've been working with Martin Luther King III, and he's calling this the Floridation of the nation. This law is going to provide $3.9 billion of your tax money to computerize the voting systems of America. We're going to have computer screens in the voting booths. The administration has put to death any plan that would allow you to have some type of backup paper ballot or receipt. Which is pretty strange when you think about it. You get a Slurpee from a 7-Eleven; you get a receipt. You vote for President of the United States, and you get no record to prove exactly how you voted.

HUSTLER: So you're saying the Bush Administration is trying to thwart ballot-machine paper trails behind the scenes?

PALAST: Absolutely. The whole law is being handled behind the scenes. No one even knows what the heck is in this Act. I've actually read every word of it. My staff has gone through it pretty carefully, which is quite different than any politician I've run into so far. The preamble sounds really good—motherhood and apple pie: "It was just terrible that legal voters were not allowed to vote in Florida, and we don't want a repeat of the Florida debacle." What they've done is packaged Florida and imposed it on every other state.

HUSTLER: Why should we be suspicious of these computer machines?

PALAST: If you've ever had a Windows document, you sure as heck know it's about as reliable as any other computer system. Except with this one you have more at stake: Who's going to run this planet? We just had an election in Texas in which three Republicans won with exactly 18,181 votes.

HUSTLER: All three won with the exact same number of votes?

PALAST: The Republican elections officials thought that was quite an interesting coincidence. These were done on iVotronics machines, but the Democratic officials were actually able to go back and reset the machine to re-tally the votes and, lo and behold, suddenly the Democrats won. So if you think that this is a tamper-proof system, I've got a bridge to sell you in Brooklyn.

HUSTLER: Who owns and manufactures these machines?

PALAST: iVotronics is owned by a company called ES&S [Election Systems and Software], founded by Senator Chuck Hagel, the Republican senator from Nebraska. Hagel became senator after Nebraska installed his voting machine. It was quite extraordinary, because you ended up with a Republican candidate winning in black districts in Nebraska. So obviously Chuck took his voting machine out for a test spin and did quite well.

HUSTLER: He owns part of this company?

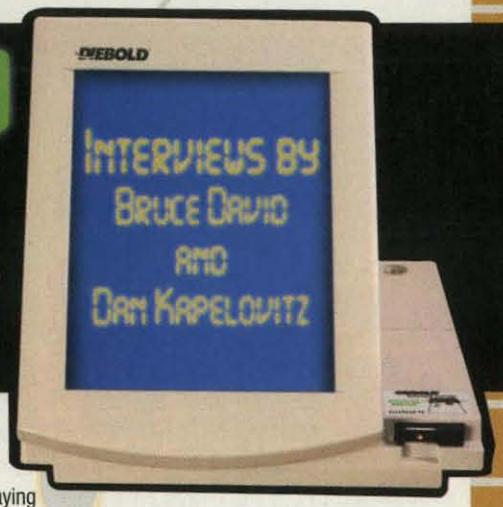
PALAST: He's out of it now, but he founded it.

HUSTLER: What about Diebold?

PALAST: Diebold is another Republican-connected company. Here's the problem with privatizing democracy: Every single elections expert I've spoken to on this planet said there is nothing close to a paper ballot for safety, because you can count it in public and you can see how people voted. But there's a second aspect

YOUR VOTE?

Machines, Tallying Election Results With No Federal Supervision. Recounts Nearly Impossible. In a Three-Part Exposé, Award-Why the Fix Is Probably Already in for 2004.



to this little computer game that I don't want to leave out, because no one's watching this one. That is, in Florida, the key to the theft of the White House was the removal of tens of thousands of voters from the voter rolls before the elections. They were purged on the grounds that they were felons. In fact, 97% of the people on that list were innocent of any crime except voting while black. The Florida Republicans did that by using a computer program to purge the files of people they considered suspects. You'd think they would avoid that system, but in fact the Help America Vote Act is going to require that, by the 2004 election, every state imitate the Florida system of computerizing, centralizing and purging their voter rolls. So we're going to take the fix that Jeb Bush and Katherine Harris engineered, and we're going to run that across the country, and we're going to have 50 Katherine Harrises with their fingers on the registration buttons.

HUSTLER: Recently Walden O'Dell, the CEO of Diebold voting machines, promised to deliver votes to Bush.

PALAST: The CEO of Diebold, who has become one of Bush's big donors, promised at a fund-raiser to help deliver the vote to Bush in Ohio. I hope that it gives someone pause about using his machines, but apparently not.

HUSTLER: Don't the Democrats see this as their own doom?

PALAST: I spoke with Terry McAuliffe, the head of the Democratic Party. He's overwhelmed. He says that they don't have the money or research ability to uncover what's going on. But there's a second sinister little side to this: All politics is local, and this is going to give one heck of a lot of power to Democratic secretaries of state. We have one political party in America; it's called the party of the incumbents. This is one way for incumbents of both parties to lock themselves into position. In the state of Illinois, the Democrats are thrilled to have control over the voter registration in Chicago. The Republicans are letting the Democrats drive the getaway car in this voter heist.

HUSTLER: So it's not being overly alarmist to say that the fix is in for 2004, and that Bush will be President again?

PALAST: I'm not saying Bush has locked up the vote; I'm just saying that if he loses it, the winner's going to have to win a lot more than 50%. You can steal some of the votes some of the time, but you can't steal all the votes all the time.

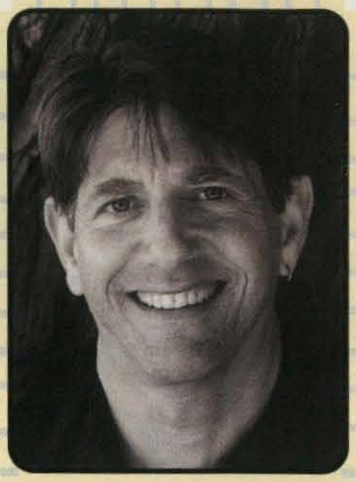
HUSTLER: What can the average American citizen do about this?

PALAST: There's a petition campaign being run by Martin Luther King III to undo this lynching by laptop. It's black voters who are going to be targeted; we know that from Florida. We have a petition at www.GregPalast.com. Fifty thousand people have already electronically signed it. It will be sent to Mr. Ashcroft, and then it will be used by congressmen who still have the balls to fight this thing. Every computer expert in the country is saying that to Gatesify our system is just bonkers. [New Jersey Congressman] Rush Holt has at least said, "Let's do the most basic thing, which is to have a receipt printed out [on] which you can see how you supposedly voted, and you can put that in a separate lock box so that we could test and tally the paper ballots against the computer ballots as an absolute necessity." He's talking about requiring the testing of these machines. Believe it or not, there is no testing of these machines. That's really dangerous stuff. There's no open source code.

HUSTLER: The machine manufacturers don't show the code because they say it's proprietary, like the secret ingredients in Coca-Cola.

PALAST: One of the horrible things about this business is that we don't know when elections have been stolen. You know if you've been mugged on the street, but with these mystery machines, we don't know. Go to Las Vegas, and the machines are tested by the government and locked up, have special keys and are tamperproof. Here we get shaken up about a slot machine in Vegas, but we have no such legal protections guaranteed to us with the voting machines. Democracy is not a game.

Peter Coyote vs. Vote Fraud



Peter Coyote has appeared in more than 70 films, including *E.T.* and *Erin Brokovich*. What most moviegoers don't know is that ever since the 1960s, when he was a founding member of the Diggers (an anarchist group that provided food, housing and medical aid to the runaways who fled to San Francisco during the Summer of Love), Coyote has been involved in politics. He was the chairman of the California State Arts Council for three years, and is currently a board member of the Baykeepers, an environmental organization dedicated to preserving the San Francisco Bay. Coyote also narrates a commercial, written by Greg Palast and produced by StandUpNow.org, about election fraud. The actor/activist sat down with America's Magazine to share his research on the frighteningly tamper-friendly computer voting machines.

HUSTLER: How did you become involved with the voting-machine issue?

COYOTE: I'm an out-of-work actor; I have a lot of time on my hands. After 9/11, I started reading about 15 newspapers a day, mostly [those of] our allies overseas. I started an e-mail newsletter—sending these articles around to people—that [circulated] to about a thousand people. Some of them were newspaper and TV men. After about a year and a half, the list got too unwieldy. I passed it on to somebody, but I began to concentrate on the issue of voter fraud. Because I had this e-mail list, people started sending me things, and I heard about these two recent elections. There was Max Cleland's November 2002 election in Georgia, where a Vietnam War hero, an amputee and a favorite in his district, was suddenly and mysteriously overthrown in a surprise election. Even the FEC [Federal Election Commission] has called that election fraud. But they can't figure out how it was done, because the computerized voting machines are private, and the software is proprietary; so companies do not have to show their software to people. Most people don't know that there's no federal agency that supervises the software of voting machines.

HUSTLER: What was the other election that drew your attention?

COYOTE: The one in Nebraska. Chuck Hagel defied all straw polls, all voter polls, all everything, and suddenly won his U.S. Senate election in a kind of surprise ballot. It turns out that he [had previously] owned the voting-machine company. It was the major Republican upset in the November elections. When Hagel ran against Democrat Charlie Matulka in 2002, he won with 83% of the vote. That represents the biggest political victory in the history of Nebraska. So 80% of those votes were counted by computer-controlled voting machines, put in place by his company, built by that company, programmed by that company.

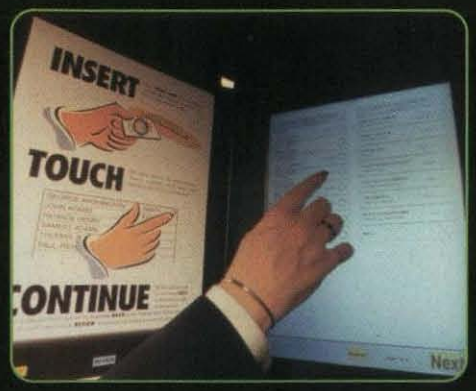
"Now that you can date, you can't date blacks, Mexicans, Asians, Jews, white guys with tattoos, piercings or purple hair; and if you're a lesbo, you'd better bring home hot, big-tittied babes with tight asses in short skirts!"

HUSTLER: How do the computers change the votes?

COYOTE: It only takes about 30 lines of code to write a voting program. It's not a real big deal. You can run a voting machine that will look like it's verifying your name and your address, and at the end of the day, you're voting for Osama bin Laden. You can program some of these machines by modem. In any case, they're turned over to these corporations, and the corporations tell you who won the election. The last election-law revision basically ended exit polls and paper ballots; so there's going to be no way to go back, as there was in Florida, and count the vote. What amazed me is how asleep at the switch the Democrats and the American people are on this issue. It's just counterintuitive to think that the software that governs a national political election is the private property of a corporation. You don't know how it's created. You don't know what it does, and the only reason they need to write 200,000 lines of code is basically to hide what it is they're doing.

HUSTLER: Have you had any success getting the word out?

COYOTE: I had breakfast the other day with [Congresswoman] Nancy Pelosi and [Senator] Barbara Boxer, and they didn't seem to understand that there was no federal supervision of the voting machines. They asked me for the information, which I forwarded to them. I find that scary as shit.



Bev Harris

Black Box Voting

A mild-mannered publicist turns into a fearless political investigator.

During the 2000 Presidential election, a veterans' group hired Bev Harris's public relations firm to post copies of George W. Bush's embarrassing military record on the Internet. On the Thursday before election day, the firm distributed a press release directing people to the online documents. Within 30 minutes, the Web site was hacked and completely disabled. Troubled by this incident, Harris began an investigative journey, which led her to unsettling information on who was in control of the voting machines and how easily these machines could be manipulated. Since then, Harris has dedicated her life to exposing the dangers of computerized, corporate-owned voting machines. Her book, *Black Box Voting* (Plan Nine Publishing), details her findings.

HUSTLER: What evidence do you have that at least some of the 2002 elections were fixed?

HARRIS: We have approximately 85 cases. For example, in Scurry County, Texas, during this last election, it was actually the election workers themselves who didn't think that the results sounded right. They still had a paper trail in that case, and they took it upon themselves to look at that. They discovered that it had given the election to a Republican, and actually it was a Democrat who won, and he won by a landslide.

HUSTLER: Can you give us other examples of problematic elections?

HARRIS: In Alabama, in 2002, the Democratic governor won, and the polls closed. The observers went home, and in the morning, lo and behold, 6,300 votes had changed, and they handed the election to the Republican challenger. Nobody to this day has explained what happened to those 6,300 votes. What we're talking about is doing a proper audit. The key to auditing is simple: You want to compare two independent sources of data, and they should match. The key word is *independent.* The paper ballot that the voter verifies is one source; the machine tally is another source. What they've done is taken away one source, the paper ballot, making the system impossible to audit. Even the machines that still have paper ballots nowadays can't be audited because many states have passed laws that prohibit us from comparing the paper ballot to the machine tally.

HUSTLER: Do these "glitches" always favor Republicans?

HARRIS: Not always, but it seems to trend that way.

HUSTLER: How does the vote-rigging work?

HARRIS: I would look first toward the remote communication attack point—the modems, the wireless capabilities. If you can get through with modems or wireless communications, you don't need physical access to the system, and that gives you access to do just about anything. The next thing you look at are what kinds of back doors are programmed into the software. With the Diebold system, for example, a back door is available using a Microsoft Access database. I have a written communication from one of the head programmers in which he describes doing end runs around the voting system using the back door they've had in the system for ten years.

HUSTLER: Do you have any proof that elections are purposely rigged?

HARRIS: We do have evidence that the mechanisms are in place to do that. For example, it is possible to program a touch-screen machine so that you push the option for one candidate, and it registers for the other. There's actually many examples where voters reported just that. In both Florida and Texas, that happened a lot, but they would always blame that on a screen calibration error.

"Hey, Judy—Bush needs 87 billion dollars! Grab my fuckin' checkbook!"

HUSTLER: Tell us about the two largest voting machine companies.

HARRIS: ES&S [Election Systems and Software] was originally formed by two brothers: Todd and Bob Urosevich. Todd Urosevich still works for ES&S in Omaha. Bob Urosevich spun off and started Global Election Systems, which was acquired in January 2002 by Diebold. Before that, Diebold had only manufactured ATMs, safe-deposit boxes and so forth. These two companies essentially have two brothers involved in top management. But it doesn't appear that Diebold really folded in Global Election Systems. I bring this up because people can't believe that Diebold would be so stupid as to do what I'm going to tell you they did. Diebold keeps the code to their machines really secret; not even a citizens' group is allowed to audit what is in that program. It's considered proprietary. However, they were parking their files on a publicly available Web site that anybody could access without a password, and it was findable through [search engine] Google. It begs the question of why, if it's so secret that even the public can't scrutinize it, do they stick it on a site that any hacker can find?

HUSTLER: Did anybody go to that site and get that?

HARRIS: I downloaded the complete set of election files and put it in a safe-deposit box. Since then I've found out it's been downloaded by people all over the world, including some of Diebold's competitors.

HUSTLER: So people are presumably going to look at this code and see what it says?

HARRIS: Right. There were 40,000 files. They were of the most sensitive type you could possibly get. They included the hardware and software specifications for both the touch-screen and the optical-scan machines, the construction drawings, the protocols for testing, actual testing procedures and testing results. It had actual election files, actual ballot configurations, the entire source-code tree. It had interesting file names—like one file name we noticed right away was called "Rob Georgia."

HUSTLER: What does "Rob Georgia" signify?

HARRIS: We thought, *Is Rob a name or a verb?* Inside the Rob Georgia file were a set of three folders. In one of the folders, it said, "Place these files in the GEMS Folder." Now, GEMS is the vote-counting program itself. GEMS stands for Global Election Management Systems. A vote-counting program has to go through certification, and you are not allowed to just make changes to this thing after the fact. You have to certify it and use exactly the version that was certified. So it's sort of a concern when you see "place these files in the GEMS Folder."

HUSTLER: That was done after the program was certified?

HARRIS: Yes. In fact, they changed the program at least five times after certification. Georgia changed the program on all 22,000 machines shortly before the election, and nobody ever looked at what was on the new program.

HUSTLER: How do you know that?

HARRIS: We interviewed Rob, whom the file was named for. Rob was a technician who handled intake for the voting machines in the state of Georgia. Rob explained to us that they have van loads of people driving around the state, slapping program changes on the machines. He said, after what he witnessed, he has absolutely no faith in the machines counting his votes correctly. He was told to put program changes on the machines by Diebold.

HUSTLER: Who won the Georgia election?

HARRIS: There were several upsets. They all benefited the Republicans, and they were huge upsets. There was a senator that was considered an absolute shoo-in. His name is Max Cleland. He's a war veteran who's a triple amputee. He was defeated by Saxby Chambliss. Cleland was favored to win with 56%, and he actually lost by 11%. They also elected Sonny Perdue, the first Republican governor in 135 years. African-American candidates ended up doing poorly with their own constituents.

HUSTLER: There was no uproar about it in the papers?

HARRIS: I think people were just stunned. In our current news environment, not enough coverage is being given to this issue. You guys are an exception, but many reporters just take the voting machines' PR sheet and use that to rebut things instead of going to check. I think we could parade a rigged voting machine out there and documents that prove it, and most news outlets would not cover it. The next step needs to be the courts and a Congressional investigation.

Commercials With a Conscience

Video producer and activist Jacalyn Kane is creating a series of commercials aimed at counteracting the recent rightward turn America has taken. Kane's most recent spot, which addresses voter fraud, was written by Greg Palast and narrated by actor Peter Coyote. "I started to realize that this country was being hijacked by this administration and that our democracy, our freedom of speech, our civil liberties, and even our right to vote were being jeopardized," says Kane. "I also realized that the media was being bought, owned and operated by the right wing, and, pretty systematically, they were doing away with any opinions that didn't agree with this administration. So from that, I came up with the concept that we would create our own commercials and actually buy the media to express our opinions. That's where this series of commercials with a conscience came from."

The first spot, "Voice of the People," served as an antidote to the deluge of hawkish messages presented by the mainstream media. The commercial, which ran locally in Los Angeles on CNN, A&E and VH1, featured Americans from diverse backgrounds, including musician Michelle Shocked, stating their cases for peace, civil liberties and dissent's vital role in a democracy. The commercial was meant to show that you can love this country and be patriotic without necessarily being in favor of perpetual war.

The third commercial will tackle free-speech issues. Each commercial features the Web site of Kane's organization (StandUpNow.org), where visitors can obtain more information.

Lez Celebrate, Valentine

Everyone thinks that just because I'm thin, blond and pretty, and I like expensive nail polish and makeup that I must be a conservative priss. I want to lay that image to rest. I may look like Reese Witherspoon, but I like banging chicks, especially those who are hot and girlie. I don't care what anyone else thinks!

Last winter, my biggest crush was my college roommate, Cherie. She messes up her dark hair really sexy and '80s-style, and her tight, young body and plump ass cheeks were a big turn-on. I wanted to lick her senseless whenever she wore her tight Black Sabbath T-shirt with no bra. Her pert nerps poked out from under the taut cloth like a sign flashing GO, GO.

Cherie knew I wanted her, and she teased me, flashing her tits at me from across the quad and leaving the door to the shower open when I was in the dorm room. But the provocative cunt still wouldn't go all the way and lez out with me!

So last Valentine's Day, I pushed Cherie over the edge (and into my bed) by buying her her first dildo. I even tied a red bow around the sleek, pink sex toy and carefully hid it in Cherie's bed covers.

When Cherie returned from her afternoon classes, she flopped onto her mattress for a pre-happy-hour nap. She soon discovered my gift, and a sly, devious smile crept across her face. "This is from you, isn't it?" she drawled, caressing the plastic pleasure rod.

I smiled smugly from my bunk. "Uh-huh."

"Well, don't just lay there, Becky; come and fuck me with this thing!"

I flew down to Cherie's bunk faster than a bat on crack, cupping her porcelain visage in my hand and touching my lips to her soft, pouty kisser. "Open up," I commanded, before sliding my hot tongue into her trap and giving her the French kiss of all time.

Cherie went limp in my arms, and I knew I was in total control. I could feel my sexy sub breathing gently and smell her sweet perspiration. I ran my hands down Cherie's front, feeling the heat emanating from her erect nipples. I grabbed each of her perky breasts and squeezed them gently, rolling them in my sweaty palms. "Oh, I like that," Cherie cooed between deep tongue kisses.

I disengaged one of my mitts from Cherie's petite milk sacks and slipped it down the front of her jeans, past her swath of curly fuzz. Sure enough, her meat curtains were soggy with anticipation. I poked my fingers in and out of her tight, dripping slot until we both couldn't take it anymore. "I wanna munch on that beaver of yours, sweetie," I moaned, "but first, I want you to eat my cunt."

Cherie was trembling as I guided her head to my groin. I unbuttoned my miniskirt to reveal my soaked panties. To my absolute surprise, Cherie buried her head in my sopping crotch, sniffing, licking and chewing my underthings like a pig in a truffle patch.

I wiggled out of my drenched briefs and guided Cherie's tongue to my love button. Now it was *my* turn to go limp—Cherie's lapping tongue almost made me come. But my dirty girl had a special trick up her sleeve. As I started to howl, she jammed her tongue into my poop chute. Unable to hold back, I rained nearly a half cup of hot pussy juice all over Cherie's unsuspecting mug.

"Oh, my God, that is so hot!" she shrieked. "I want to come like that too!"

I was nearly beat, but I wasn't going to let Cherie's sweet snatch remain unmolested. I positioned Cherie on her side and loosened her low-rider jeans, peeling them back to reveal her hot, messy panties. I could smell her sweet woman funk as I removed her sodden undergarments to reveal her pink, raw puss. I whipped out the diddle rod and licked it up and down, coating it in spittle before spreading Cherie's cunny flaps and worming the tip of the dildo inside. Cherie exhaled and uncurled her fingers and toes as if all the stress was leaving her body.

I began to rock the pussy plug in and out of my collegiate lover's cooch as I held her down on the bed. "Oh, it's too much!" my novice dil-doinker exclaimed.

But I wasn't letting up. In fact, I borrowed one of Cherie's moves and wriggled my tongue into her butt pucker. Cherie moaned and bucked in my arms.

The faux dong was in her snatch up to the handle now. I could feel that she was ready to come, so I tweaked her clit with my fingers. After I partially removed the plastic rod from her pussy, Cherie had her first bonafide female ejaculation, spewing twat nectar all over my face, hair and chest.

"*Aaah!*" she screamed, jerking her pelvis uncontrollably. I was drenched—and infatuated. Cherie and I cradled each other and the dong in our arms. She tenderly kissed and nibbled my neck until long past dinnertime; I playfully jabbed my pinky into her dirt chute. Was I experiencing true love?

Since Valentine's Day, when Cherie flashes her tits at me across the quad, it's no longer just teasing; it's code for, "Meet me in our room in five minutes, and have the dildo ready!" I'm never late.

William Shatner and the Wrath of Mancow

William "Warp Speed" Shatner answers 30 questions from Chicago's top radio personality, Mancow Muller.

(That's 50% more than those cheap bastards at Playboy offer.)

Free Association With Mancow Muller

MANCOW: Best pickup line?
SHATNER: "Haven't I seen you somewhere before?" Cliché. Gets a laugh. Seize that laughter. If she laughs, you're in. A woman without a sense of humor isn't worth sleeping with anyway.

MANCOW: Best music to make love to?
SHATNER: No sound in the air. The only thing to listen to is the tempo of her breath.

MANCOW: Best music to have sex to?

MANCOW: Do women love you or Captain Kirk?
SHATNER: I don't care.

MANCOW: Best city to get lucky with the ladies in?
SHATNER: San Bernardino. It lies in a dusty bowl 100 miles north of L.A. With all that dust and grime, there are a great many showers. Visiting those showers can be fun.

SHATNER: Oshkosh, Wisconsin. I don't know why.

MANCOW: Best line that a woman has used on you?
SHATNER: "What's a nice boy like you doing in a place like this?" I was six years old at a burlesque house.

MANCOW: How many women have you been with?
SHATNER: Does this count the women I went to twice? I can't remember.

SHATNER: My wife's age.

MANCOW: Sexiest auto?
SHATNER: The Aston Martin.

MANCOW: Was there one that got away?
SHATNER: I don't count sheep; I count that one. Everybody has one. Heartbreaking.

MANCOW: Sexiest movie ever?
SHATNER: Cary Grant and Ingrid Bergman in Hitchcock's *Notorious.*

MANCOW: Who killed JFK?
SHATNER: Three little ships. There was more than one gunman. I believe that.

MANCOW: Greatest novel ever written?
SHATNER: The Bible. I've never met anyone that's read it all, though. I wish I had a better answer; everybody says the Bible.

MANCOW: Would you have rather been Batman?
SHATNER: I know Adam West, and I like him, but he's not my type.

MANCOW: You're from Canada. Do you find Americans smelly?
SHATNER: Yes. Americans have the sweet smell of success.

SHATNER: I'm a pilot, but I'm a bit of a low flyer. I'm a 1/2-mile-high club member.

MANCOW: What's the sexiest part of a woman's body?
SHATNER: The nose. You can suck on one for hours.

MANCOW: What simple thing does a woman do that drives you wild with desire?

MANCOW: Greatest sport on Earth?
SHATNER: I'm really into paint ball now. I love it.

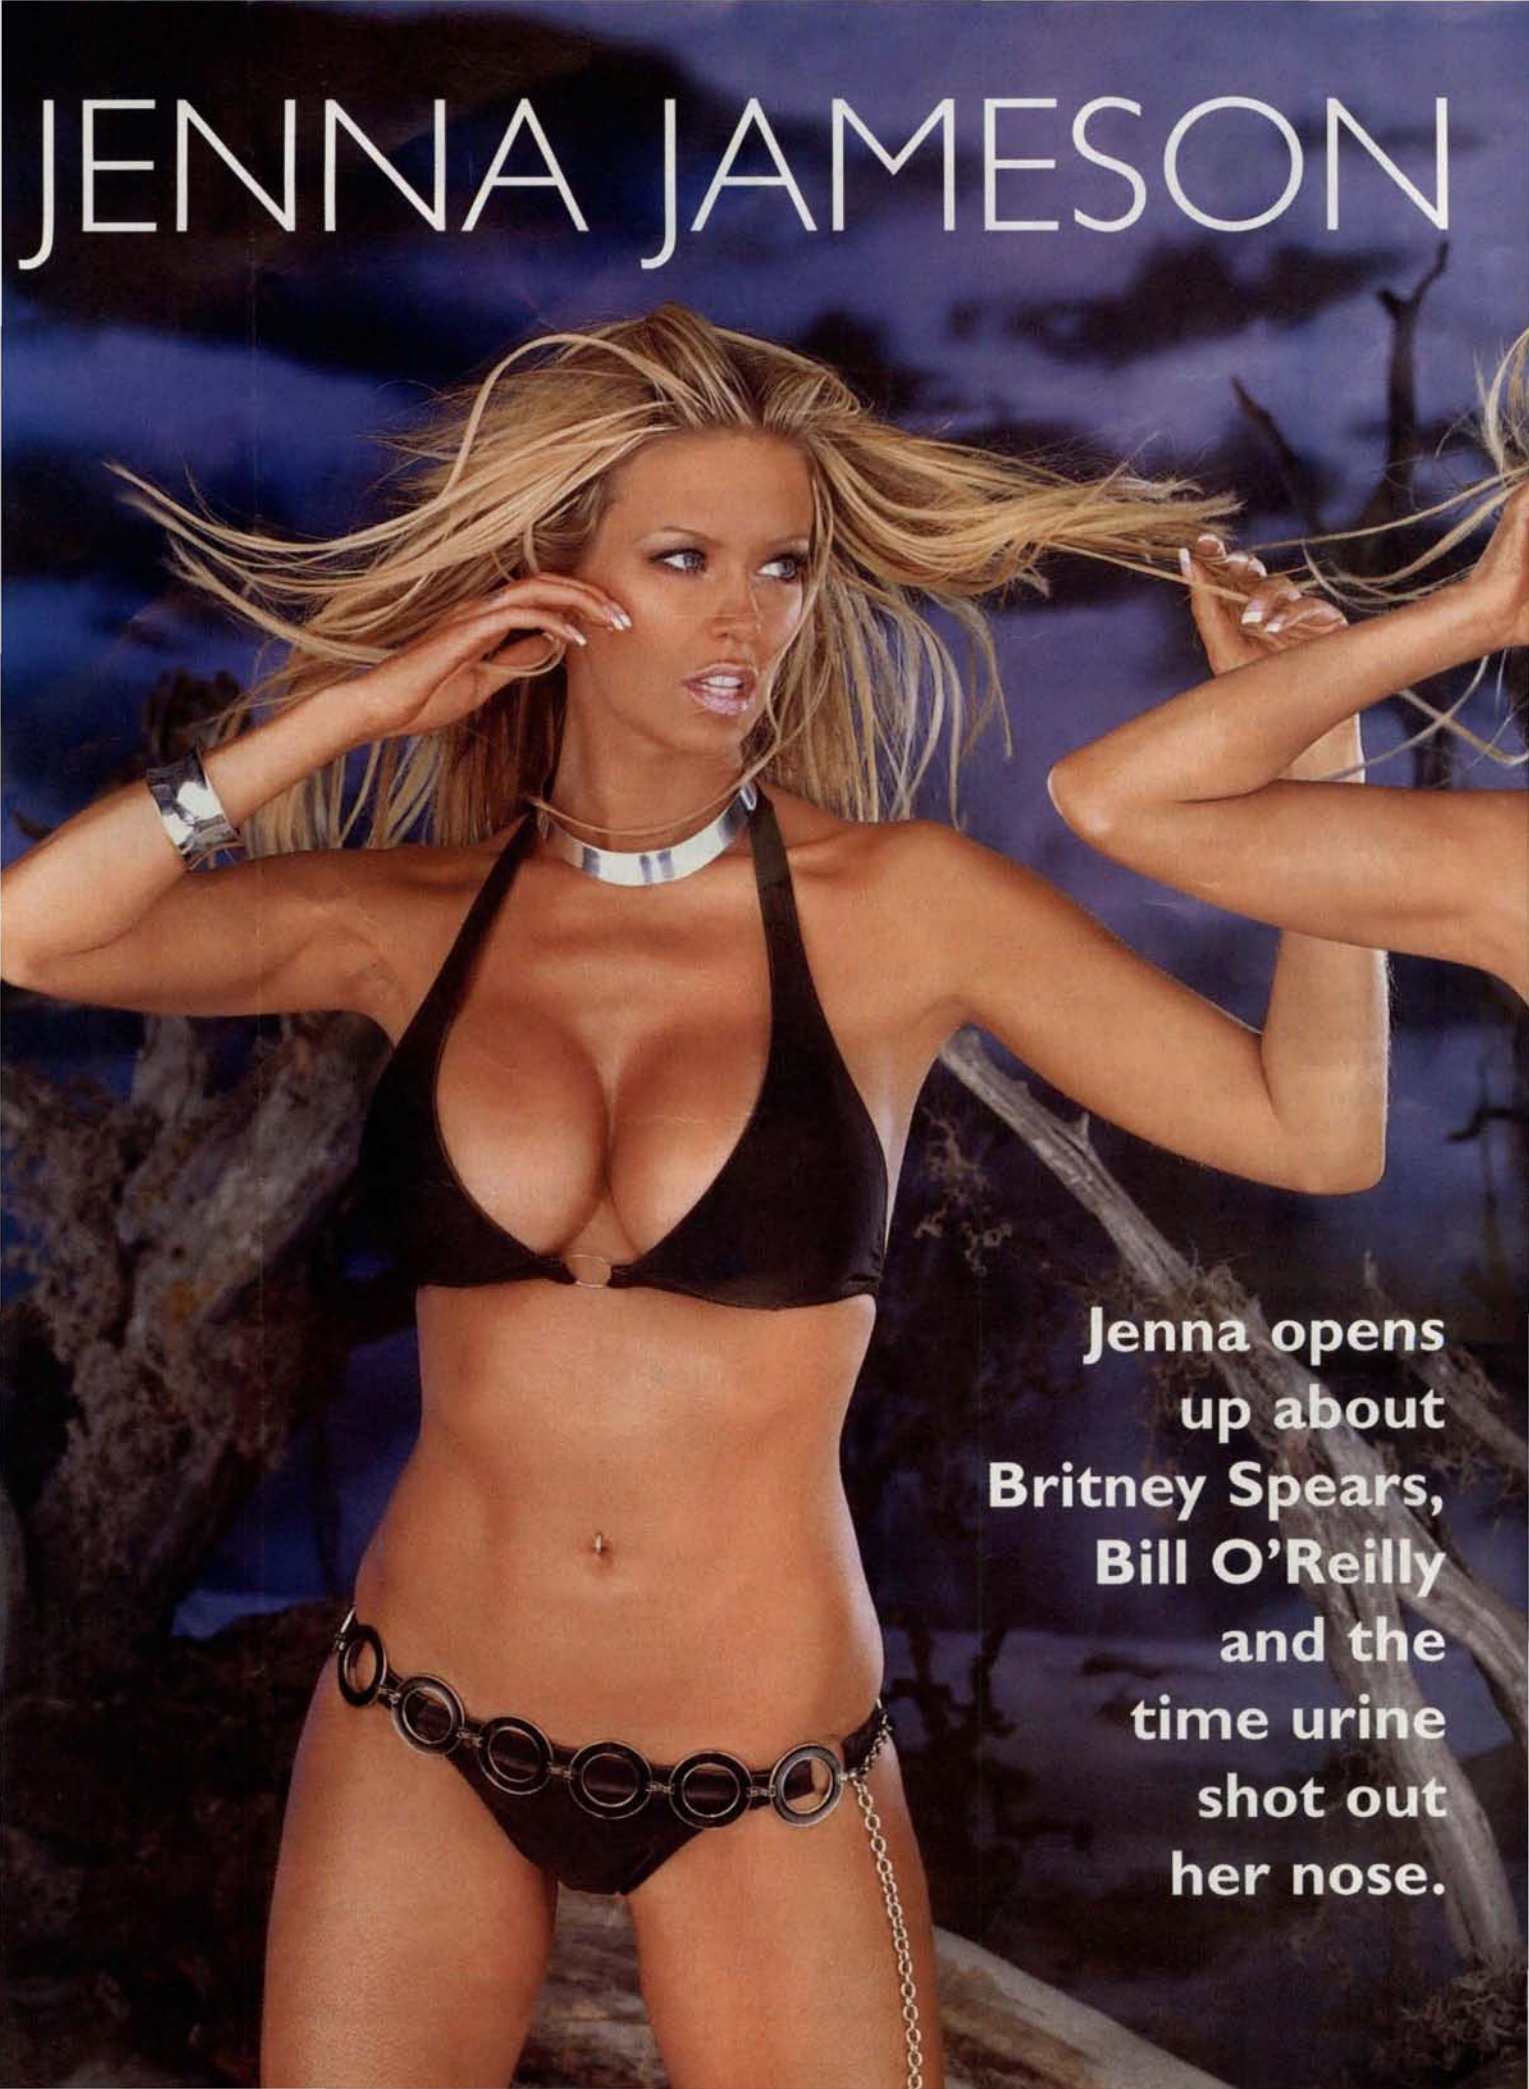
JENNA JAMESON



Jenna opens up about Britney Spears, Bill O'Reilly and the time urine shot out her nose.

BARES ALL

PHOTOGRAPHY BY LAURENT SKY

The world's most successful porn star is bigger than ever. In addition to her image adorning billboards and mainstream magazine covers, Jenna Jameson has appeared on *The O'Reilly Factor* (after which host Bill O'Reilly asked her for some copies of her blue-screen work). The E! channel has even immortalized the XXX goddess in an *E! True Hollywood Story*. Much to Jameson's credit, she has never forgotten her hard-core roots. We caught up with the Queen of Porn as she prepared for a HUSTLER pictorial. She spoke candidly about dating rock stars, kinky sex and why she won't be insuring her vagina any time soon.

* * *

HUSTLER: How has the *E! True Hollywood Story* episode about you changed your life?

JAMESON: I thought I was popular before; now it's completely insane. I can't go anywhere without being recognized. Women come up to me, saying that I'm their role model. Drag queens come up to me and say, "I've taken naked pictures of you in to my doctor so he can form me like you." Strange, but cool. Hey, it's a major compliment. Now everybody knows my name, where I was born, my father, my brother—absolutely everything that's happened to me.

HUSTLER: Does your brother get recognized all the time now?

JAMESON: My poor brother—he tried his hardest, over all these years, to stay out of the spotlight. When this came around, I told him, "This is something that's really important; I need your take on things." So he agreed to it, reluctantly. My brother's a tattoo artist; so now everybody comes into his tattoo shop saying, "Can I get a tattoo of your sister?" My brother's like, "I'm a little weirded out, tattooing a picture on your back of a HUSTLER centerfold of my sister, spread-eagle."

HUSTLER: Is it true that your relationship with Britney Spears was manufactured by publicists?

JAMESON: I don't know if it was completely manufactured, but I try not to talk too much about it. Britney Spears is a very amazing girl. She's kind of gotten a clean rap for the girl that she really is. She talks like a truck driver, and she's a hot chick that's coming into her own. Knowing how hard it is for *me* in the media, I can only imagine how it is for her; so I didn't want to contribute to that. But I loved the whole kiss thing [with Madonna on MTV's *Video Music Awards*]. It was like, "I told you she was a freak." The chick's crazy. I saw her at a club one time, flashing her tits to people.

HUSTLER: Why didn't the E! program get into your relationship with Tommy Lee?

JAMESON: I didn't want to talk about it. Tommy's a cool guy, and he gets a bad rap. He certainly is a little bit clingy; he chased me for a long time, just like he did to Pam, and I finally gave in.

HUSTLER: Was Pamela Anderson catty with you?

JAMESON: No. Carmen [Elektra] was, though. He was dating Carmen at the same time. I met her, and she was just shitty. But I like her, and I respect the fact that she doesn't pull any punches.

HUSTLER: What other rock stars have you been with?

JAMESON: Too many to count. Nobody that I would want to talk about.

HUSTLER: Why haven't you married a musician?

JAMESON: Because every man I've gone out with in a rock band has Lead Singer Syndrome. They all get very upset about my popularity interfering with their popularity. I dated this one guy who is in a very prominent band, and we ended up breaking up because I would go to the meet-and-greets, and I would sign more autographs than him, and I would be standing on the side of the stage, and people would be chanting "Jenna." But you know who I'm really taken with? Justin Timberlake. I'm sorry, but he's badass.

HUSTLER: How would your husband, Jay Grdina, react if you had sex with Timberlake?

JAMESON: I'd pretty much be buried in the desert somewhere. It's not about sex, really. I just want him to dance naked over my head. Shake that shit, boy. Shake it!

HUSTLER: Do you have a favorite porn star of all time?

JAMESON: Probably Tori Welles. I had a thing for Savannah. She was pretty much the reason why I got in [porn]. I saw her, and I was like, "That girl's so beautiful, and she's doing this for a living. It can't be that bad; maybe I'll try it." I remember seeing a Tori Welles video and going, "Damn, that girl's fucking psychotic." I love that. I kind of modeled myself after Savannah—"I'm beautiful and untouchable"—and Tori Welles, who is a little psycho and likes to have sex.

HUSTLER: Who's your favorite male porn star?

JAMESON: Two stand out in my mind. Obviously Rocco [Siffredi]. He's a passionate guy, and he is the ultimate performer. But T.T. Boy is the best performer in the industry, by far. Never seen that man have a problem, ever. My first scene with him, he did four cum-shots in one scene.

HUSTLER: Does he use Tantric techniques or something?

JAMESON: Yeah, it was weird, like one leg behind his head. No, he's really good at what he does, and *(continued on page 81)*

(continued from page 77) that's what us girls in the industry respect—guys that can really come and bring it, because for us, it's easy. For them, it's not that easy; so if a guy can come in and really work it, much respect.

HUSTLER: Do you think Bill O'Reilly masturbates to your videos?

JAMESON: It's hard to tell because he has a 24/7 poker face. He never really broke down and told me exactly what he was thinking, but after the interview, he asked for my video, so I can only imagine. He keeps saying, "Oh, it's for professional use." Yeah, right—so is my vibrator.

HUSTLER: Would you ever star in a porn film with him?

JAMESON: It might round off some of those edges he's got, but I would certainly turn him down in a second flat.

HUSTLER: Would you ever have sex with Howard Stern?

JAMESON: I think Howard Stern's incredibly sexy. He has something about him that makes the girls flock to him. During the shooting of the movie [*Private Parts*], he invited me into his trailer. There was this weird, awkward thing going on, and I knew he wanted to make a move. I'm shy, so I couldn't really get the moment going, and he couldn't, so I just left.

HUSTLER: What's the kinkiest thing you've ever done?

JAMESON: My husband's really kinky, and I'm a game player. I will do whatever it takes. One time we were staying at the Beverly Hills Hotel, and we were having sex in the hallway, which is kind of a normal occurrence when it comes to what I do. People would walk down the hall, and we wouldn't stop. I'm giving him head, and I'm like, "Oh, my God. He's coming." But he wasn't coming; he was peeing. I had pee flying out of my nose. It was great. I've never met a man who can pee with a hard-on, but he can.

HUSTLER: Do you ever urinate into his mouth?

JAMESON: We tried it, because what's good for the goose is good for the gander. He was eating me out, and it's really hard to pee when you're turned on. It's almost impossible. So we sat for 45 minutes to an hour, and finally I was able to, and he was great with it. But I like it the other way around more. I'm more of a submissive girl; so anything that's kind of degrading, I kind of like at home.

HUSTLER: What about scat play?

JAMESON: Oh, no. I draw the line there, baby.

HUSTLER: Do you engage in public sex a lot, like in moving cars and such?

JAMESON: Oh, yeah. Are you kidding me? God, how many truck drivers [can say,] "I witnessed Jenna Jameson giving some guy head." It's hard when you're an adult-film star. You do so much stuff that you get a little jaded. You either go all the way vanilla at home, or you go really crazy. My sex life has gone a little bit crazy. I have the best sex life in the world. I really do.

HUSTLER: What's the craziest thing you've ever done on film?

JAMESON: I set guidelines for myself, and I won't ever go beyond those. There's a lot of things that I will only do at home. I've never even done anal on film. I've certainly thought about it. I'm good at it at home, but my career has gone so well without having to do it, why should I? I talked to my husband about maybe doing it for my last film, but I still haven't really decided whether it's something I want to do.

HUSTLER: Have you ever been double-penetrated in your personal life?

JAMESON: No. But I want to; it's a fantasy. It sounds like fun. *Woo-hoo!*

HUSTLER: Do you think you'll retire anytime in the near future?

JAMESON: Yeah, I'd better soon; I'm gonna be 30 next year.

HUSTLER: Do you want to have kids and settle down?

JAMESON: Yeah, but it's so hard for me to stop, because I'm selling better than I've ever sold in my life. Within the next couple [of] years, I'm gonna retire. I have to. I'm starting to break down.

HUSTLER: What do you mean "break down"?

JAMESON: My body. I've been in the industry 11 years. With all the dancing that I've done and just all the stress that I've been put through, there's been a lot of pressure for me.

HUSTLER: Have you ever thought about insuring your vagina?

JAMESON: No, that's fucking foolish. A lot of people have asked me that—like my ass and my HEARTBREAKER tattoo. It's more of a publicity stunt, and I have enough publicity; I don't need any more.

Question: Why does Laura Bush always get on top?
Answer: Because George W. can only fuck up.

Two drunks were sitting at the bar, staring into their drinks.

One got a curious look on his face and asked, "Hey, Pete! You ever seen an ice cube with a hole in it before?"

Pete replied, "Yep. I was married to one for 15 years."

Question: Why do Jewish women only sleep with circumcised men?

Answer: They won't touch anything that isn't at least 10% off.

A pompous minister was seated next to a cowboy on an airliner. After the plane was airborne, drink orders were taken.

The cowboy asked for a whiskey and soda, which was brought and placed before him.

The flight attendant then asked the minister if he would like a drink. He replied in disgust, "I'd rather be savagely raped by brazen whores than let liquor touch my lips."

The cowboy then handed his drink back to the attendant and said, "I didn't know we had a choice."

A man walked up to his wife one morning while she made breakfast. He pinched her on the butt and said, "If you firmed this up, we could get rid of your control-top pantyhose."

While this comment was on the edge of intolerable, she kept silent.

The next morning, the man woke his wife with a pinch on each of her breasts and said, "You know, if you firmed these up, we could get rid of your bra."

This was beyond her ability to ignore; so the wife rolled over and grabbed her hubby by his cock. With a death grip in place, she said, "You know, if you firmed this up, we could get rid of the gardener, the mailman, the pool man and your brother."

A farmer was arrested for having sex with one of his cows.

During the arraignment, the judge looked at him with disgust and asked, "Just what the hell were you thinking?"

"Well," said the farmer, "I reckon I was thinking about a younger, hotter cow."

The HUSTLER Dictionary defines *ski jump* as: a Polish whore.

A group of nuns were on a bus going through the mountains to sing at a Bible camp for children. The bus driver lost control going around a corner, and the bus went down the side of the mountain, killing everyone aboard.

The nuns found themselves in line at the pearly gates, where St. Peter was admitting them. When the first of the nuns came up, he asked, "Have you ever touched a man's penis?"

"With my right hand, only once," the Sister replied.

"Just place your hand in the holy water," St. Peter instructed, "and you may enter the gates of heaven."

Then Peter asked the next nun the same question.

"I did, with this finger," the Sister answered. Then she dipped it in the bowl of holy water and entered heaven.

When the mother superior approached St. Peter, the nun at the end came running up, hands in the air, shouting, "Whoa, whoa, wait a minute. If I have to gargle that, I want to do it before she sticks her ass in there!"

An airplane was going down and everybody knew they were about to crash into the ocean below.

A wealthy woman took off all her clothes and put on every piece of diamond jewelry she owned.

"When we are in the ocean," she declared, "my diamonds will sparkle, and I will be the first one they find."

Then another rich lady took off all her clothes and took out fistfuls of $100 bills. She exclaimed, "When we are in the ocean, the $100 bills will be floating all around me, and they will find me first."

Then a poor African-American woman tore off all her clothes. Everyone looked at her and asked what she was doing.

The woman answered, "Don't you know they always look for the black box first?"

Slayer

Still Killing After All These Years

Interview by Nancy B. Sayle

Black clothing masks blood stains, yet accentuates dandruff. Hence, Kerry King's shaved head.

The early '80s saw the birth of a band unlike any other. Chaotic guitar solos, Satanic imagery and breakneck speed were but a few of the defining characteristics of Slayer, one of the most powerful and extreme metal bands of the era. As their music spread across the globe, the Huntington Beach, California, foursome drew fans and controversy alike; while CBS Records refused to distribute the band's 1986 offering, *Reign in Blood*, because it allegedly promoted Satanism, the album quickly became a thrash-metal classic. A model of longevity, Slayer—Tom Araya (vocals/bass), Kerry King (guitar), Jeff Hanneman (guitar) and Dave Lombardo (drums)—continue to rock the metal scene. Of course, they have had help; a little Jägermeister, some good porn and an amazingly dedicated fan base.

The band's first DVD, *War at the Warfield* (American Recordings/UME) features 19 songs from a February 13, 2003, concert at San Francisco's Warfield theater in support of the band's most recent album, *God Hates Us All*. The DVD also includes the "Bloodline" music video (which was banned by all major video outlets because of its blood and gore) as well as *Fans Rule*, a 50-minute documentary dedicated to the group's rabid following. HUSTLER sat down with founding member King to discuss the band's future plans.

HUSTLER: You recently welcomed your original drummer, Dave Lombardo, back. Does this mean you're going to do another DVD with him?

KING: I expect all of the original fans to probably demand a DVD with Dave, after the next album is out, with him playing. So a second DVD is very feasible.

HUSTLER: What can Slayer fans expect from your next CD?

KING: Dave's been in Europe for the last three weeks, working on whatever project he's got going on. Before he left, we were working on some ideas. We probably worked on five ideas together, and I've had a couple more since then. Jeff's got a handful of material put together; so we'll probably hone in on ten tunes once he gets back. We also put some new material together for the past Jägermeister tour we did in September.

HUSTLER: That was a great tour, if you can remember it.

KING: Oh, yeah. I'm sure there were many things that I forgot from that one! The tour was on for six or seven weeks; so there was a lot of drinking!

HUSTLER: You are becoming something of an entrepreneur with your own line of clothes called KFK. What can you tell us about this new venture?

KING: First off, I didn't want to use anything associated with Slayer for my line, because that would be lame. Slayer makes shirts for the band, and taking some of their thunder for my own line of clothes would have been wrong. I came up with ideas with Ayesha, my wife. She's a killer artist.

HUSTLER: So KFK stands for Kerry Fuckin' King?

KING: Right. It comes from these in-stores that I do. I still have people to this day come up to me and go, "Kerry Fuckin' King!" So I guess the fans really helped with the clothing-line name.

HUSTLER: Tell us about the Slayer box set that you're working on.

KING: At this point, we have too much material; so now we just have to decide what the hell is going to go in the box set. I have recorded many of the live performances over the years, and other people have bootlegs; so there's a plethora of videos from around 1983 to now. I've got five big boxes of magazines that we've been in over the years, a bunch of tour books I've collected since '87, plus things we're probably making for the box set—just an enormous amount of stuff. We're also talking about putting a banner in it, one with the eagle that was a big part of our logo in '91. For live shows, we had four of these big banners that would roll down, and we're thinking of getting one made just for the box set. It'll be a little bit altered, but there will be one in the more expensive box sets. It'll be one of the perks.

HUSTLER: Is the box set going to be a limited edition?

KING: There are going to be two levels. There will be one that is 40 bucks, and there's going to be one that is probably 90 bucks. The $90 set is going to have an extra DVD, which will probably be one live show from bootlegs that either I've done or we've acquired from somewhere. It's going to have all the extras, like the banner and some other special items.

HUSTLER: The band's been around for 20 years now. What's the secret to Slayer's longevity?

KING: You get out there and you do your thing, and hold on for the ride. When you're a kid, you think you are going to be the best. Look at all the bands that have come and gone since us that have sold more records than us, but we keep plodding forth.

HUSTLER: Have you ever thought about retiring, or are you going to be 80 years old, out there, thrashing?

KING: I hope not! You stop when it doesn't work. There is going to be a time when you look at it and say, "You know, this really don't work."

HUSTLER: What do you think about HUSTLER combining rock with porn?

KING: HUSTLER is fuckin' great, of course, and rock and porn go hand-in-hand. Most bands on tour, they're going to watch porn. It's a logical pairing, like Slayer and Jäger.

HUSTLER: Do you have any interesting fan stories?

KING: A few months ago, we were on tour and decided to hold a contest. We had my tech ask the kids hanging out, "What would you do to meet Slayer?" Some kid yelled out, "I'll kill someone!" and the group roared. Of course, that is a bit extreme. We decided to make them eat shit we had in the dressing room, like an entire onion or a bottle of mustard. One kid drank a whole bottle of honey, which doesn't sound bad, but *you* try it. The winners got to come back, hang and have beer with us. Another time, we were overseas and some kid came up to me. I thought he wanted me to sign something. With the language barrier, that was all I could imagine he wanted. He pulled out a pen—which turned out to be an X-acto knife. He wanted me to carve on him. Now that's some sick shit. Our fans carve SLAYER on their bodies. I guess that is dedication!

HUSTLER's Hot Wire

Brief Notes From the World of Rock

GENE *STILL* LOVES JEZEBEL

Eighties goth-pop pioneers Gene Loves Jezebel ("Desire") are back with *Exploding Girls*. Like a one-man, New Wave version of Julio Iglesias and Willie Nelson, flamboyant vocalist/guitarist Michael Aston dedicates their latest effort to all the girls he's loved before: "Women I've loved, admired, detested; women that have elevated me or destroyed me." Each song is written about an actual female who passed through his life. While not as angst-ridden as earlier Gene Loves Jezebel material, the new album boasts a certain broad appeal.

KISS GUITARIST GOES SOLO (AND WE'RE NOT TALKING ABOUT ACE FREHLEY)

Bruce Kulick, 12-year veteran lead guitarist of Kiss, has released his latest solo project entitled *Transformer*, on which he plays all of the instruments except the drums. Kulick showcases his six-string virtuosity on a number of instrumental tunes and delivers a solid guitar-driven album. While singing is not Kulick's strongest talent, he does offer some catchy melodies, especially on "Crazy."

Transformer can be purchased at www.Kulick.net.

NEWS

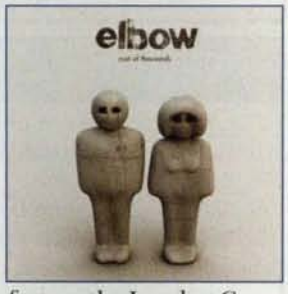
September 2003 was a dark month for the music world. On the seventh, singer/songwriter Warren Zevon ("Excitable Boy," "Werewolves of London") passed away at the age of 56 after a yearlong battle with lung cancer. Mere days later, on September 12, country music legend Johnny Cash died of complications from diabetes; the Man in Black was 71.

In an apparent attempt to make up for these losses, the Almighty later took '80s pop-music icon Robert Palmer ("Addicted to Love," "Simply Irresistible") off our hands via a heart attack on the 26th.

Singer/songwriter Elton John recently held an auction to sell off the entire contents of his London home, including furniture, sculptures, and gold and platinum albums. Said a spokeswoman for Sotheby's auction house, which hosted the event, "He wanted a complete change"—or perhaps a little more room for his enormous head.

Great White drummer Derrick Pontier was involved in a three-car crash on September 27 in Allentown, Pennsylvania, just hours prior to a performance in that city; the skin-slapper was treated for minor injuries and released. Well, at least they're getting the accidents out of the way before their shows now.

REVIEWS

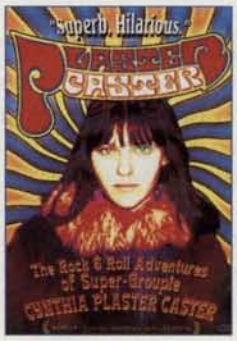


Elbow
Cast of Thousands
(V2)

The follow-up to 2001's *Asleep in the Back* finds the lads from Manchester, England, picking up where they left off. The melancholy musings of vocalist Guy Garvey are improbably spiritual and uplifting—perhaps not surprisingly, considering "Grace Under Pressure" and "Ribcage" feature the London Community Gospel Choir on backing vocals, along with the crowd from 2002's Glastonbury festival. Fellow musical Mancunians from Doves and Alfie lend a hand on a couple of tunes. Of particular note is the anthemic "Fallen Angel," whose chorus, "Keep your blues on cruise control," perfectly echoes the overall demeanor of *Cast of Thousands*.

Tenacious D
The Complete Masterworks DVD
(Sony Music)

Fresh off a debauchery-filled worldwide tour, the Troubadours of Tinseltown, Tenacious D (a/k/a goofball actor Jack Black and that other tubby guy), have returned from the road to ruin bearing gifts. Included in this definitive three-DVD collection are the difficult-to-find episodes of their HBO series when the boys were just budding young talent, as well as a memorable performance at London's Brixton Academy featuring the boner-inducing "Wonderboy" and a medley of "Crazy Train," "Don't Fear the Reaper," "Paranoid Android" and "Mr. Brownstone." This showcase also takes you on the road with the D, in the studio and behind the scenes of their videos. Grab a 12-pack, and prepare to be disemboweled by rock.



***Plaster Caster: The Rock & Roll Adventures of Super-Groupie Cynthia Plaster Caster* DVD**
(Xenon Pictures)
Cynthia Plaster Caster's claim to fame is creating molds from the cocks of rockers, including Jimi Hendrix, Jello Biafra and MC5's Wayne Kramer. Kiss even immortalized the mega-groupie in the song "Plaster Caster." (Oddly, she never molded Gene Simmons's schlong.) Along with a penetrating overview of Plaster Caster's decades-long mission, this humorous documentary features a bonus scene in which she plasters the tits of L7's Suzi Gardner.

GRATUITOUS COOZE

Give a warm, sticky welcome to Ceca, the queen of Serbian "turbo-folk." More interestingly, Ceca, the widow of slain ultranationalist paramilitary leader Arkan, was arrested last spring for alleged ties to the assassination of Serbian prime minister Zoran Djindjic. After serving four months on a charge of illegally possessing firearms, the weapon-packing warbler is now free, with her bad-girl creds in place and, we'd like to imagine, a prison-lesbian experience under her belt.

Rock 'n' Roll Spotlight

HOTWIRE

Nine-to-five paper-pushing? Chronic pud-pulling? Run-of-the-mill melodic punk/pop/metal/hard-core? None of the above describes Hotwire's full-length, major-label debut, *The Routine* (RCA). In fact, the album's title signifies everything the band believes should be avoided in life. As singer/guitarist Russ Martin notes, "I was thinking that the most annoying thing a person could get themselves into was being stuck in a certain routine. Some people have to do that—worker bees. Our music makes me get excited and want to break out. I always want shit to be switched up."

Coming straight outta Thousand Oaks, California, four friends—Martin, bassist Chris Strauser, guitarist Gabe Garcia and drummer Brian Borg—came together as Hotwire in 1999, drawing from a wealth of disparate influences, from the Rascals to the Dead Kennedys to drummer Buddy Rich. (The latter's infamous rants were an inspiration to the band while recording *The Routine*; on their Web site, the band even quotes Rich as saying, "If you're not having fun, fuck you!") Hotwire's heavy, melodic hard-core chops earned them the opening spot on last year's Ozzfest, which sometimes meant cranking it to 11 at 9:30 in the morning. The foursome took it all in stride as the early sets left them free for the rest of the day to chill and hang out with the other performers (particularly Marilyn Manson's dancers). According to Strauser, "I started a band with Vanessa, Manson's dancer, some motherfucker with five teeth and me. Unfortunately, after the jam session, we broke up." Perhaps Mr. Manson should take note.

BIG MUFF

The mid-1990s were all about fox-core; *grrrl*-fronted bands such as L7, Babes in Toyland and Hole could be seen on MTV, vamping and grinding while actually playing guitar. But it's the 21st century now, and former indie near-hottie Nina Gordon, of Veruca Salt semi-fame, was last seen judging the West Coast Air Guitar Championships (note: this is not a joke). So who will fill the void, the chasm, the abyss, the veritable gaping vagina of rock 'n' roll vacated by these aging scream queens?

Big Muff are four girls and one guy (the token EFH—"Eric From Hole"—factor), and they're Canadian. They've got the classic fox-core sound down, meaning quiet girlie vocals give way to screaming thrashy choruses, replete with thicker-than-bull-semen guitars blaring in the background. Punk-pop influences such as Veruca Salt and the Foo Fighters can be heard on their latest disc, *Rock Lock*; listeners will even detect a hint of Chrissie Hynde—the grand old dame of fox-rock—in some of the vocals.

Despite the vagicentric connotations to the band's moniker, the group actually took its name from the old Electro-Harmonix distortion pedal, thereby cementing their indie street cred. But while their appellation may bear innocent origins, Big Muff aren't afraid to revel in raunch (as evidenced by their guest stint as XXX reviewers on page 112 of this issue's *Erotic Entertainment*). According to singer Sarah Fletch, "Just because we happen to have more breasts than most bands out there doesn't mean we can't appreciate a good issue of HUSTLER. We're four girls and a guy." Sounds like your average HUSTLER photo-shoot.

SITTING PRETTY

FELICIA FOX AND BENJAMIN

Our photographers come up with some pretty wild ideas, but this latest concoction is truly bizarre: Felicia Fox and Benjamin screwing on a weird exercise chair? This looks like an X-rated ad for Bally Total Fitness. We wouldn't mind losing a few pounds by boning this babe, but what's this nonsense going on by the lake? Is this supposed to be some kind of art-house photo exhibit? At least the sex is hot, and Felicia Fox is prime masturbatory material; we could get a good workout whacking off to her.

JENNA TALES

ADVENTURES IN THE SKIN TRADE WITH JENNA JAMESON

Hey, guys! I was just in Las Vegas recently for a little break, and I actually hung out with Pink! She is, by far, the coolest chick I've ever met. I love her to death because she's a real wild child. When we first met, she told me that she saw my layout in *Paper* magazine, and that I inspired her to get back in the gym! Isn't that nutty? She's one of those girls who doesn't let the hype get to her at all. She's a real down-to-earth girl, and I absolutely respect that. We ended up hanging out the whole night and gambled until nine in the morning. It was totally insane! I like playing blackjack and the slot machines; I guess it's all about visual stimulation for me. I won, but Pink lost.

On the business side, I just signed with Endeavor Talent Agency. I have a lot of stuff in the works right now, on which I'll elaborate in future columns. I've always said that my first love is the adult industry, and when Endeavor approached wanting to sign me, I initially said no. I simply didn't want to take away from how much fun I was having in the skin business. But when they came to me again recently to tell me they were ready for something different and edgy, I couldn't say no. They have all of these huge mainstream clients, such as Jennifer Garner from the TV show *Alias* and Jennifer Lopez. This could be the beginning of a wonderful relationship.

I've received a few letters over the past month asking me if I had any good drug stories. Well, guys, this one's kinda funny. A while back, I took two hits of LSD with my brother on the Fourth of July. That's the best time to do acid! My brother got the bright idea to light some bottle rockets to shoot at a passing car. Well, he missed, and the rocket hit me in the back of the head, setting my hair on fire. I didn't even notice at the time! All of a sudden my brother jumped on top of me. It was completely insane. Needless to say, I had short hair afterward. It's funny, because when you're in a drug-induced stupor, you don't notice any kind of pain at all. We were just young and stupid, I guess.

That's all for now, but before I go, I have to share a little something with all of you. I recently wrapped up a photo-shoot for HUSTLER with my favorite girl, Brianna Banks. It was one of the hottest shoots I've done in quite some time. I just love working with her. She gets me so excited. It's not coming out for a while, but when it does, you're all going to be pleasantly surprised.

If there's anything that any of you would like to see in the next installment of my column, don't hesitate to write to me. I love getting mail from fans all over the world; it makes me feel so good inside! Just drop me a line at:

Jenna Tales, c/o HUSTLER Magazine, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

See you soon!

XoXo,
Jenna

HUSTLER'S Young Sluts, Inc. #13: *Ann: "Before you go any further, could you kindly remove the roadkill from my head?"*

HUSTLER'S Young Sluts, Inc. #13

Directed by Kat Slater.
Starring Lauren Phoenix, Haley, Ann Harlow, Nevaeh Ashton, Amberline, Betty Sue, Talon, Morgan March, Joel Lawrence, Jay and Brett Rockman.
Videocassette and DVD: HUSTLER Video.

Newly adult sex kitten Lauren Phoenix turns her hot friends out as high-end call girls in *HUSTLER'S Young Sluts, Inc. #13.* Lauren has the brains and looks to lead the pack, which also includes legal-teen sensation Haley, waifish minx Ann Harlow, drool-inducing lesbo Betty Sue and big-boobed brunette Nevaeh Ashton. Despite the lion's-mane hairdo Lauren sports on the box cover, the flawless young stars are at their most stellar in the tape within. Lauren's not only hot, but horny, and her carnality explodes in a sweaty, grunting, doggy-style boning. Red-lipped, blond pinup queen Amberline throws herself at the feet of Betty Sue, a sassy, caramel-skinned goddess who goes down on her worshiper. Copper-topped strumpet Haley and blond siren Morgan March double-team a dude, egging each other on to levels of ecstasy that make *HUSTLER'S Young Sluts, Inc. #13* worth investing in.

Robby D.

PORN FOR THE MTV GENERATION

XXX director Robby D. established himself as a singular talent in porn in 1998 with the launch of the popular *Action Sports Sex* series. Delivering a frenzied mélange of "extreme" sports (e.g., skateboarding), quick cuts and balls-to-the-anal-walls action, the line heralded D.'s arrival as the gonzo auteur for the ADD set. With more than 500 titles under his belt, Robby is now turning the reins over to his alter ego for his latest groundbreaking reality-porn series, *Jack's Playground*, shot in the beach communities of Santa Monica and Venice, California. Over dinner and drinks at one of his favorite beachside boozeries, Robby spoke to *Erotic Entertainment* about his current endeavor and his place in porn.

HUSTLER: Why did you decide to go into this industry as opposed to mainstream cinema?

ROBBY D.: I like sex. I like the girls. It's a recession-proof industry. It's also a very quick avenue to get into things such as music videos and commercials if I so choose. It's hands-on; you can dive right in. If you're good, you're gonna stick around, and if you're not, you'll be the one-hit wonder who is never heard from again.

HUSTLER: Have you been approached by any bands to direct music videos?

ROBBY D.: Some people from Capitol Records have hung out on set with me, but their offer was not enough money to keep me interested. [Nü-metal rockers/Ozzfest veterans] Grade 8 want me to direct one of their videos, and I just love those guys. Their videos are fucking great.

HUSTLER: *Jack's Playground* offers a pretty unique take on the reality-porn trend.

ROBBY D.: It's the most raw, innovative, cutting-edge stuff I've ever shot. I'd describe it as a mixture of *Jackass*, *Mad TV* and *Saturday Night Live* with chicks getting fucked. The approach is very schematic; everything I do is well thought out in advance. I know exactly how it's going to look, be it amateurish or professional. In the process I'm making fun of myself, the wanna-be music video directors scamming chicks and the mainstream film world. It is really based on my life. For example, the girl that plays my ex-girlfriend *really* is my ex-girlfriend. I film all around my neighborhood.

HUSTLER: How do you intentionally preserve the amateur feel of *Jack's Playground*?

ROBBY D.: I use all-natural lighting to bring a hint of reality to the series, so if the scene is a little dark and fucked up, and the camera is shaky, it's meant to look that way. I approach the whole concept as an amateur. I go out of my way to frame things incorrectly, and I'll do aperture changes on the fly, which you would never do in a feature, to fuck with people and get the "this guy doesn't really know what he's doing" kind of vibe.

HUSTLER: So you find a lot of these girls just walking on the beach in Venice?

ROBBY D.: Some of the girls I've gotten to appear on camera for the first time, and then I hand them over to an agent; so by the time my film comes out, they've already made five or ten other films.

HUSTLER: Which directors have influenced you the most?

ROBBY D.: It's always been Andrew Blake for his integrity and John Stagliano for being a pioneer with his *Buttman* series.

Looking In: *Ann Marie: "You know, Savanna, that does make your ass look big."*

Disturbed: *Belladonna, Britney and Ashley warm up for karaoke night.*

Barely Legal #40: *Malory: "It's okay; I'm with the band."*

Deep In Cream #2: *Delilah never got past the teething stage.*

Deep In Cream #2: *Carol lends a tongue.*

Disturbed: *Nicole and Britney pause for reflection.*

Looking In: *Savanna: "Honey, we really have to do something about these window treatments."*

Barely Legal #40: *Pixie and Peggy Sue always look forward to board meetings.*

Barely Legal #40

Directed by Clive McLean.
Starring Jamie, Dani, Cytherea, Malory, Peggy Sue, Pixie, Mason, Benjamin, Mark and Steven.
Videocassette and DVD: HUSTLER Video.

The luscious lineup in *Barely Legal #40* is truly noteworthy. While rubbing her moist, white panties on her bed, the delectable Dani daydreams about a boy from school. When he rides his bike past her window, she signals him in for a quick game of Bury the Boner. But it's the scene with Cytherea that will have viewers busting through their 501s while she seduces an unsuspecting interior designer. In the process of having multiple violent orgasms, Cytherea's pussy douses the room like a garden hose in a greenhouse before catching the guy in the face with a burst of sex juice. Malory shows up late to a band audition but wastes no time grabbing the drummer's schlong for a second-chance shaft-slurping. Bronzed, British beauty Pixie swaps spit with lean fleshpot Peggy Sue prior to a labored labia-licking during a casting call. The splooge-dribbling talent in *Barely Legal #40* is criminally enticing.

—Stewart Wallace

Looking In

Directed by Paul Thomas.
Starring Savanna Samson, Taylor St. Claire, Ann Marie, Dru Berrymore, Brittany Skye, Dale D'Bone, Steven St. Croix, Mickey G, Rafe and Anton Michael.
Videocassette and DVD: Vivid Video.

Three voyeuristic couples get their kicks from peeping in the plot-heavy soap opera *Looking In*. The video's expository downtime is crucial to recovery from an overload of ball-draining romps. Brunet sexpot Taylor St. Claire has been blessed with gigantic, natural fun bags, but her deep, messy blowjobs are the product of pure talent. You could bounce a quarter off firecracker Ann Marie's perfectly firm Latina ass. The tight-bootied *chica* blows another girl's husband in front of everyone, kick-starting an outdoor orgy of epic proportions with Taylor and Savanna Samson, the latter of whom flits from one screwing couple to another. An even more engaging orgy featuring brunet bombshell Dru Berrymore develops into a peeping Tom round-robin that practically bursts through the screen. Trump card Brittany Skye swoops in at the very end to steal the spotlight with a public-grope finale that shoots *Looking In* over the top.

—J. P.

Deep In Cream #2

Directed by Alex Ladd.
Starring Delilah Stone, Venus, Nicole, Sabina Black, Rietha, Alex, Carol, Neeo, Lauro Giotto, Brett Rockman and Steve Hatcher.
Videocassette and DVD: DVSX.

Deep In Cream #2 is a cornucopia of porn delight. Vignettes begin with a striptease from each of the fuck sluts before they get down to serious ball-draining action. Blond honey Carol and raven-haired Nicole, decked out in thigh-highs and leopard-skin panties, nearly tear each other's clothes off before their meat curtains are mutually parted. This sapphic tryst proves to be short-lived as a stealthy swordsman enters the room and the pair immediately plant their tongues on man-muscle. Nicole keeps her boots on while her pussy is plundered by stiff cock, and Carol happily engulfs the guy's shaft between thrusts. Another memorable scene finds petite cum-coaxer Venus squealing like a stuck pig as she rides Steve Hatcher reverse-cowgirl. Throughout *Deep In Cream #2*, director Alex Ladd thoughtfully concentrates on the goo-gobbling ginches and keeps the man-ass to a bare minimum.

—S. W.

Disturbed

Directed by Britney Foster.
Starring Britney Foster, Aria, Karina, Belladonna, Ashley Blue, Venus, Avy Scott, Renee Pornero, Trinity, Kay Lynn, Brittany Starr and Nicole Leshell.
Videocassette: Amazing/Metro Inc.

Disturbed turns the inherently limp all-girl porn model ass-side up, then fucks the shit out of it. A dream-team roster of gorgeous pervettes led by director and star Britney Foster elevate the no-dude format to staggering heights of extreme hard-core. Blond betty Karina gags on Aria's strap-on while Britney shoves her hand up Karina's fudge pipe, so Aria spits down her plaything's spread-open gape. Never-ending torrents of swearing, screaming, spitting, slapping and squirting make for the nastiest lesbian sex imaginable. *Über*-slut Ashley Blue particularly savors the oil-drill-sized sex toys inserted into her body cavities in alphabetical order. Yet the dizzying anal- and D.P.-filled dildo orgies pale in comparison to an intimate encounter with blazing-hot Nicole Leshell, a brunet legal teen who blows away the competition with just one tiny butt plug. *Disturbed* will drive viewers to the nut house time and again.

—J. P.

Three Timing: *Penny: "Hurry up, girls. My corn flakes are getting soggy!"*

Specs Appeal #13: *Roxy: "I don't think the Rogaine's working, dude."*

Three Timing: *Jesse: "It's called Viagra; look into it."*

Specs Appeal #13: *Lauren Phoenix works off her student loans.*

Girlvert #4: *Alura: "Chinese, Japanese, dirty knees...."*

Three Timing

Directed by Robby D.
Starring Jesse Jane, Penny, Julia Taylor, Kinzie Kenner, Charlie Lane, Jason Steele, Eric Masterson and K. Logg.
Videocassette and DVD: Digital Playground.

In *Three Timing*, towheaded temptress Jesse Jane stars in a modern tale of jealousy, corruption and white-hot sex. A lack of communication between Jesse and her boyfriend leads them to jump to conclusions, and into different beds, in the latest offering from XXX auteur Robby D. *Three Timing* is an excellent example of porn made with the MTV generation in mind: an easy-to-follow plotline punctuated by quick cuts between funky, stylized fuck scenes. With all of the dizzying camera angles capturing five of the hottest hose-hoppers around, you may need a Dramamine before it's over. Regardless, the twat/ass-licking session with Penny and her two roomies is worth the price of admission alone. Behind-the-scenes bonus footage on the DVD provides a brutally humorous account of first-timer Jason Steele's inability to attain wood over the course of the shoot. *Three Timing* doesn't cheat the viewer.

—S. W.

Specs Appeal #13

Directed by Andre Madness.
Starring Lauren Phoenix, Roxy, Cytherea, Holly Day, Trinity James, Talon, Lee Stone, Trever Zen and Brian Surewood.
Videocassette: Kick Ass Pictures.

Specs Appeal #13 is a crash course on how to bag a bespectacled babe. Hilarious skits, such as geeked-out cutie Cytherea being hit on at a *Star Trek* convention or bent-dick funnyman Lee Stone acting as *Spider-Man*'s alter ego, could play on *Saturday Night Live* if the show ever crossed over into XXX territory. Lauren Phoenix is a ball-swelling blonde with a surprisingly tight pussy. (Maybe it's because the deep-throating vixen goes straight for anal sex after Lee rests his nuts on her chin.) Cytherea's an amazingly cute, hypersexual brunette who loves slapping skins as hard as humanly possible. In the midst of getting fucked senseless, the nubile tramp hoses her cocksmith with a jet blast of cunt juice. Holly Day has delightfully huge tits and a juicy ass but lacks Cytherea's crackling energy. Packed with amazing chicks and useful pick-up tips, *Specs Appeal #13* just might help you nail a four-eyed ho of your own.

—J. P.

Club Inferno

Directed by Patrick Collins.
Starring Tina Crystal, Maya Gold, Allisa, Sandra Romain, Daphinie, Choky Ice, Franco Roccaforte, Claudio Melony, Leslie Taylor, Lauro Giotto and Uncle George.
Videocassette: Elegant Angel.

Luckless, wart-faced schmo Leslie Taylor makes a deal with the devil he comes to regret in *Club Inferno*. The upside is that he can now shaft any pricktease imaginable, which opens the door to a phenomenal series of trollops. To-die-for temptress Maya Gold seals the deal when Taylor pumps her gaping asshole full of nut butter, and equally raunchy ass play dominates the ensuing string of orgies. Old geezer Uncle George, caked in drag queen makeup, continually pops up to cackle insanely prior to getting his wizened dick sucked. A balls-to-the-wall orgy featuring three hot babes and every male cast member under age 60 finally rakes the coals of this fire-and-brimstone gonzo flick. But be forewarned: Shut the video off before the tail end, when Leslie looks down to catch a hellish glimpse of Uncle George's face covered in splooge. Once the Euro-babes leave the building, *Club Inferno* raises hell, but nothing else.

—J. P.

Girlvert #4

Directed by Jim Powers.
Starring Ashley Blue, Crystal Ray, Alura, Brijaye Love, Weed, Alex Sanders, Trent Tesoro, Steve Holmes, Boz, Mr. Pete and Anthony Hardwood.
Videocassette: J.M. Productions.

Any hot sex in the extremely rough *Girlvert #4* is purely coincidental. Pigtailed brunette Ashley Blue relishes her role as a raging, foul-mouthed pimpette who constantly barrages her ho's with slaps and insults while violating their browneyes with a strap-on schlong. Ashley laughs as two black swordsmen pummel carrottopped crystal-meth addict Brijaye Love in all her holes while barking orders and ghetto slang at her. Despite a double facial, the true pop-shot for mean-spirited pervs is when Ashley scrawls derogative phrases on Brijaye's face with lipstick. Lanky blond Crystal Ray laps up her chance to be a cum Dumpster, cheerily gagging on shit-stained cocks while Ashley spits on her head and spoon-feeds cock snot to her directly from her gaping rectum. Ringleader Ashley saves her O-ring for last. The little nympho's harsh double-teaming leaves her in tears, pushing *Girlvert #4* to the edge of sick thrills.

—J. P.

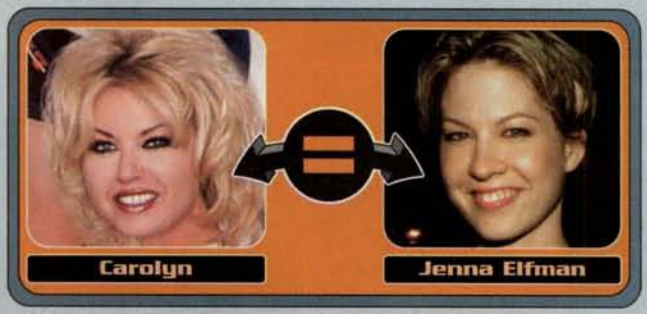
Club Inferno: *Daphinie: "Umm...Paulie? Dan? Can I take off the blindfold now?"*

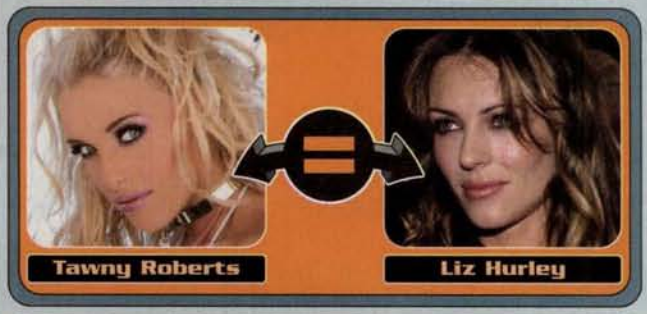
Club Inferno: *Sandra's weekly visits were quite popular at the nursing home.*

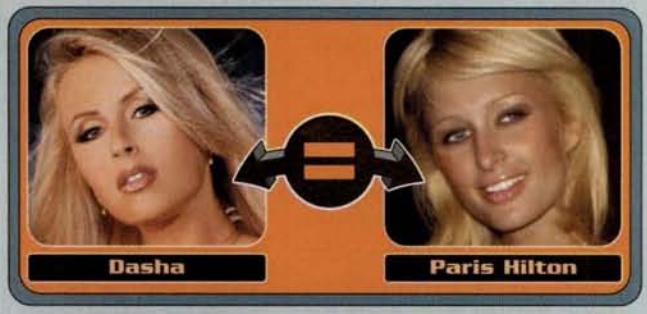
Girlvert #4: *Ashley's suitors often have anger-management issues.*

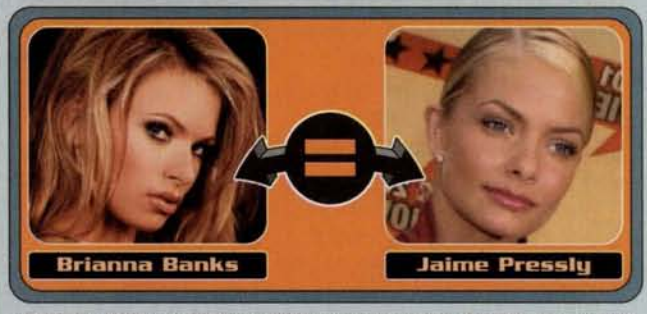
CUNT DOUBLES

Is it possible that some of today's sauciest celebrities are moonlighting as blue-screen sperm spittoons? This month, HUSTLER proudly presents a few box-cover bimbos and their celebrity doppelgangers. You be the judge.









Disclaimer: We have absolutely no evidence that the starlets above have appeared in XXX videos. The chance of them forsaking overpaid mainstream fare for honest work in porn is infinitesimal. Nonexistent, really.

ROCK in a HARD PLACE

Sweet & Easy

Directed by Peter Love.
Starring Eden, Betty Blue, Elizabeth, Layla Rivera, Faith Grant, Ann Harlow, Tabitha Banks, Rio Mariah and Ashley Blue.
DVD and Videocassette: DVSX.

Sweet & Easy is a tasty treat for those who love to beat the meat. This offering perpetuates the fantasy that one day your wife will offer you her best friend as a birthday present, your personal trainer will fuck you in the sauna, and/or that you could become a landlord watching two young girls fuck in the shower with an endless variety of toys. Particularly inspiring moments include the old boyfriend/new boyfriend combination with fantastic D.P. action, Rio Mariah's flexibility in the gym and Ashley Blue's impressively wet deep-throating skills. (Cock-gobbling vixen Blue sucks so hard, you'd think she was in Creed. She also takes it in the ass so thoroughly, you'd think she was a Ticketmaster customer.) Despite the video getting off to a slow start, the exceptional camerawork and good lighting make this delicious, two-hour fuckfest directed by Peter Love well worth watching. As far as porn goes, *Sweet & Easy* lives up to its title. ***—Big Muff***

Hardcore Training #3

Directed by David Luger.
Starring Elmi, Evehn, Nicole, Tereza, Dascha, Lucy Lee, Mr. Pete, Brian Pumper, Eric Everhard and Brandon Iron.
Videocassette and DVD: Red Light District.

Hardcore Training #3 is like a D.P. boot camp for drugged-up foreigners. The lack of soundtrack was grating, with nothing else to listen to besides moans, slurping, "wow"s and the sound of ballsacs beating against shaved pussies. In desperation, we threw in our new CD, and as we turned it up, it turned us on—well, almost. Unfortunately, the naked guys wearing nothing but white socks, grimaces and ass juice destroyed any chance of a romantic mood. But that's not what this movie is about. It's about fucking; a how-to guide on introducing the budding sluts of Prague to the world of hard-core. For the devoted fan, this is a very educational XXX offering with lots of D.P.s, ATMs and deep ass-plundering. The scene with Eric Everhard pummeling Lucy Lee's brown starfish was especially memorable, but only because it seemed to last forever. Otherwise, *Hardcore Training #3* loses steam quickly. ***—Big Muff***

About a Woman

Directed by Jonathan Morgan.
Starring Devinn Lane, Stormy, Jessica Drake, Nakita Ka$h, Nicole Sheridan, Voodoo, Aria, Brad Armstrong and Barrett Blade.
Videocassette and DVD: Wicked Pictures.

About a Woman is definitely porn for your first date. Not only is it sensitive, but it will also bring out your politically correct side as well as some sweet backside. Locating good XXX fare to satisfy a four-girl/one-man band can be difficult—almost as hard as turning down the boss's nephew and coming out of the closet while fucking strange girls in bars, which is the fate that awaits the video's protagonist. Following a large-breasted lesbian and her friends as she struggles to unleash her desires upon her new assistant, this porn provides lots of girl-on-girl and guy-on-girl sex as well as an entertaining story. Devinn Lane's previous experience shines through as her scenes are full of inspired fucking and good acting—a rare combination in XXX. Gorgeous actresses and quality camerawork make this a great flick for those who enjoy a semblance of plot along with their wicked lesbians and hard-core action. ***—Big Muff***

GETTING WOOD

SARAH SINN

PHOTOGRAPHY BY MICHAEL BISCO

California girl Sarah says she plans to go to school to study cosmetology. "I want to open my own salon someday," she declares. The 21-year-old future entrepreneur is not only a hot piece of ass, but she also has some interesting opinions on current events.

The following are actual quotes from our model. On President Bush's request for $87 billion for the Iraq debacle: "I think it's kind of ridiculous. I'm kinda into it, but then I'm not. I have my theories about it." Global Warming: "I kinda try to ignore it."

The Vice President of the United States: "*Umm*, Alan, right? Actually, I don't even know who he is; that's pretty bad!" **The Secretary of State:** "That's a girl, isn't it?" **The Secretary of Defense:** "Is Bush's wife any of these?"

Wobbly political knowledge aside, Sarah keeps her body firm by training on the StairMaster. "I try to work on my butt," she grins. Well, at least she knows the right ass to pay attention to.

You have taken the first step in changing your sex life forever.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

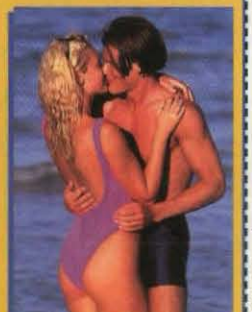
In a couple of weeks the change will be the width of your penis and longer lasting erections. After a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. After the third month a very noticeable change, not just in size, but your penis will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. You need **three to four months** to grow to your maximum potential and we offer special prices for a three or four months supply with a **100% MONEY BACK GUARANTEE AND FREE OFFER!**

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between an 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL PRO+PLUS PILLS DO FOR ME?

- A longer, thicker penis. Penis Enlargement up to 5 inches or more
- A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- Erections when you want them. Rock hard erections every time.



WHAT EXACTLY ARE THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. We also included some of the same type of herbs found in Polynesia where the men of the Mangaian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

REAL DOCTORS, REAL SCIENCE, REAL RESULTS!

DOES THE SIZE OF YOUR PENIS MATTER TO YOUR LOVER?

MORE THAN YOU CAN POSSIBLY IMAGINE,

but the Penis Enlargement Method you choose matters even more!

PENIS ENLARGEMENT BREAKTHROUGH

MAGNA-RX+ Penis Enlargement System is absolutely the easiest and fastest doctor-recommended way to add 2", 3", even 5" of pure manhood to satisfy your lover like never before! In just a few short weeks, you'll be amazed as you watch your penis grow into the biggest, thickest, hardest one she's ever had, and the one she'll remember forever and ever! No penis enlargement system or pill is easier to use, works faster, or is more effective than the ***MAGNA-RX+*** Penis Enlargement Formula – GUARANTEED!

THE DOCTOR BEHIND *MAGNA-RX+*

The genius behind ***MAGNA-RX+*** is Dr. George Aguilar, MD, a Board Certified Urologist who has treated over 70,000 patients with erectile problems. He is a member of both the College of Urology and the Society of Urology, and the director of 46 urologists. He is also past-president of his State Society of Urologists. Over 7 years of research and testing, Dr. Aguilar made the amazing discovery that is now known as ***MAGNA-RX+:*** a powerful, 100% natural, Penis Enlargement Formula.

By using this proven formula daily, his patients dramatically increased their penis size by 2", 3", even 5" in only a few short weeks. And, best of all, ***MAGNA-RX+'s*** breakthrough herbal formula is 100% natural and safe, with no known side effects. There is absolutely no prescription necessary.

Individual results may vary. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

ORGASMIC THRUST ACTIVATION

Only ***MAGNA-RX+*** pills contain the exclusive, trademarked **Orgasmic Thrust Activation** process. This factor alone would make ***MAGNA-RX+*** the most powerful **Penis Enlargement Formula** available at any price. Not only do men report amazing increases in penis length and thickness, but they are also equally delighted by the sheer intensity and concentrated power of their orgasms *(as are their very satisfied lovers)!*

MAGNA-RX+: THE WORLD'S #1 PENIS ENLARGEMENT FORMULA *& STILL GROWING!*

In the past 12 months, demand for ***MAGNA-RX+*** has exploded worldwide as word of mouth spreads about what many medical experts have called the world's most powerful **Penis Enlargement Formula.** In one of this country's state-of-the-art pharmaceutical laboratories, under Dr. Aguilar's unwavering direction, a dedicated team of biochemists has meticulously worked around the clock to produce enough of ***MAGNA-RX+'s*** proprietary, all-natural botanical formula for men, just like yourself, who want a bigger, thicker, more energetic penis fast!

NOTHING ELSE TO BUY EVER AGAIN!

The ***MAGNA-RX+*** **Formula** is so powerful, so effective, so complete, we 100% guarantee that you will **NEVER** have to purchase any more than the 60-day supply included in this special offer. We could easily make ***MAGNA-RX+*** much weaker and then ask to automatically re-bill your credit card each month for the next 2 months, like some companies do. We focus on getting the best results, as quickly as possible. That is the secret of our success! With the ***MAGNA-RX+*** **System,** *you can skyrocket 2", 3", even 5" in 60 days or less – with nothing else to buy ever again.*

ALBERT O'CONNER, M.D.

HIS ALPHA MALE PLUS CAPSULE WILL MAKE YOU A WORTHY RIVAL TO THIS WORLD CHAMPION STUD!

MEET THE WORLD'S #1 UNDISPUTED CHAMPION SEX STUD!

HE HAS THE SIZE, DESIRE AND STAYING POWER TO PERFORM UP TO 20 TIMES IN A SINGLE DAY!

LET THE EXTRACTED HORMONES FROM NATURE'S NUMBER ONE STUD TRANSFORM YOU INTO A NON-STOP SEX DYNAMO!

Deep in Canada's barren north, just below the Arctic circle, lives an animal scientists believe to be *the most prolific lover in the entire animal kingdom bar none!* During the fall rutting season, the male **Wapiti Elk** (cervus elaphus) is blessed with a hormonal structure that allows him to give world class multiple sex performances as little as three minutes apart – *and do this as many as 20 times a day!*

Now imagine that you might safely infuse yourself with the hormones behind this incredibly virile creature's sexual abilities. You'd find yourself filled to the brim with a raw, urgent sex drive. You'd find yourself performing like a super sex machine with unbelievable renewed stamina. You'd discover the ability to rapidly rejuvenate yourself after sex, producing yet another giant, full-blooded erection, roaring to go again – and then again! *The fact is, you'd be having non-stop sex until she's reduced to begging for release from this endless, virtually unbearable ecstasy.*

INTRODUCING THE DOCTOR'S MAGIC "RED BULLET" – THE AMAZING ALPHA MALE PLUS!

Here's a report from **Physician's Clinical Journal for Sexual Wellness & Performance** (quarterly newsletter for the medical profession):

"... the clinical data from Dr. Fisher's study strongly suggests that even small doses of hormonal extracts taken from the Wapiti Elk can potentially increase testosterone levels up to 500% and transform almost any "average" man into a sexually dominant alpha male complete with supercharged libido, ultra-fast recovery time, increased stamina... to potentially satisfy one's partner(s) as many as ten to twenty times in a single day..."

DOCTOR DISCOVERS PATIENTS' SEX RESPONSES ROCKET RIGHT OFF THE CHART!

The genius behind **ALPHA MALE PLUS** is acclaimed urologist **Albert O'Conner, M.D.**, both professor of medicine and Chief of Medical Education. He is also Chief of Urology as well as a member of his hospital's board of directors. **Dr. O'Conner** read about Dr. Brian Fisher's study of the effects of **Wapiti Elk Extract**, but he was skeptical and decided to run his own study using some of his sexually dysfunctional patients as subjects. *There was simply no way he could have predicted the dramatic results!* Many of these patients were transformed into stud volcanos, filled to the brim with intense, concentrated boiling hot sexual energy ready to explode! They reported that their pent up passion erupted into an avalanche of all-consuming sex – and then was replenished rapidly over and over again – all night long and for night after night.

JUST ONE CAPSULE A DAY FOR THE STRONGEST SEX DRIVE IN THE WORLD!

Until you experience the power of **ALPHA MALE PLUS** for yourself, you may not fully believe that men are quite capable of having almost non-stop sex and can experience the male equivalent and intense euphoric pleasure associated with multiple orgasms. By safely combining the **Wapiti Elk Extract** with other nutrients, **Dr. O'Conner** has created a revolutionary formula able to turn almost any average man into a virtual super-stud overnight.

The **Wapiti Elk Extract** found in **ALPHA MALE PLUS** not only increases the amount of testosterone in the body by up to 500%, it allows for fast and full rejuvenation so that more sex is not only possible, but likely. See the chart below to see how the normal recovery time between an average middle-aged adult male's recovery time after sex (not taking **ALPHA MALE PLUS**) compares to an average middle-aged Wapiti Elk.

POTENTIAL FOR FIRST REPEAT SEXUAL PERFORMANCE	
Average Middle-Aged Male	2-1/2 hours
Average Middle-Aged Wapiti Elk	3 minutes
POTENTIAL FOR THIRD REPEAT SEXUAL PERFORMANCE	
Average Middle-Aged Male	6 to 15 hours
Average Middle-Aged Wapiti Elk	5 to 9 minutes

LONG-TERM RESULT:

Dramatic increase in frequency and duration of sex as recovery time greatly diminishes and erections stay rock hard. Stronger desire, stamina and ability to perform with thick, full, long-lasting erections means more satisfying and intense intimate pleasure for both partners again and again.

IT WORKS AND NOTHING ELSE CAN COMPARE!

If you truly desire giant, rock hard erections; if you want to dramatically increase your staying power and performance in the bedroom; if you would like to be able to experience non-stop sex and satisfy your lover over and over again, then *you need to order your own supply of* **ALPHA MALE PLUS** *today!*

See for yourself what thousands of satisfied men (and their lovers) have already discovered: **ALPHA MALE PLUS** has skyrocketed to become the world's #1 bestselling male hormonal stimulant and growth formula for one very simple reason – ***IT WORKS AND NOTHING ELSE CAN COMPARE!*** Best of all, even though the proprietary, all-natural formula in **ALPHA MALE PLUS** is medical doctor designed and endorsed, absolutely no prescription is necessary.

EXCLUSIVE OFFER! BUY ONE GET ONE FREE!

Need another reason to try **ALPHA MALE PLUS**? *How about 50% OFF our regular price!* **ALPHA MALE PLUS** normally retails for $59.95 for a 30-day supply, but if you order now we'll include a second month's supply ***ABSOLUTELY FREE!*** *Imagine being able to benefit from the incredible sexual power of Nature's World Champion Super-Stud for less than $1 per day!*

WHAT RESULTS CAN YOU EXPECT?

Take one of **Dr. O'Conner's ALPHA MALE PLUS** capsules with pure **Wapiti Elk Extract** daily and you'll:

- *Increase testosterone levels up to 500%*
- *Increase penis size by 2 to 3 inches*
- *Maintain huge rock hard erections for hours*
- *Dramatically improve sexual stamina*
- *Develop super self-confidence*
- *Have great sex up to 20 times day and night*
- *Satisfy your lover like never before*

ALPHA MALE PLUS... PURE MANPOWER IN A CAPSULE!

HOW DOES IT WORK?

The active ingredients in **Dr. O'Conner's ALPHA MALE PLUS** Formula with **Wapiti Elk Extract** have been scientifically designed to facilitate three desirable bio-chemical objectives for peak male sexual performance.

1. Primary Objective:
To dramatically increase the active amount of the male hormone testosterone.

2. Secondary Objective:
To maximize blood flow to the male sex organ for longer, stronger erectile growth.

3. Continuous Reinforced Objective:
To quickly replenish the body's internal reservoir of testosterone after climax to perform full and satisfying sexual intercourse again and again.

AMATEUR PHOTO/VIDEO CONTESTS
$5,000 IS UP FOR GRABS

Guys, we need you to be HUSTLER's campus point men in our ongoing search for new, untapped Beavers. Do you know gorgeous college students who are over 18 years of age? We're looking for readers to recruit babes for the *Real College Girls* division of *Beaver Hunt*. The process is easy; just snap a couple of clear, sexy—the more explicit the better—photographs (digital shots are cool too, as long as they're high resolution and printed on photo-quality paper). Send them to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Every female whose picture sees print will receive a $350 honorarium, as well as a slot in HUSTLER's 2004 *Beaver Hunt* competition and a chance to appear in the video version of *HUSTLER's Real College Girls*. Finalists score $1,500 each, and the Grand Prize winner will appear in a HUSTLER photo-feature and earn $5,000. The photographer of the Grand Prize winner scores $500, and the Finalists' photographers earn $250. All photographers of models appearing in *Real College Girls* receive a one-year subscription to HUSTLER. Ask the girls to fill out the model release below, and include copies of two legal forms of ID and a current college ID. The model's photo, date of birth and signature must appear on the IDs (not necessarily all on the same one). All photos become the unreturnable property of L.F.P., Inc. No essays are required, but if your model can come up with something sexy, tell her to knock herself out.

MODEL RELEASE/ENTRY FORM

To enter *Real College Girls* you must be 18 years of age or older, and you must fill out and send this release and copies of two forms of ID, one with photo (i.e., driver's license, passport or photo ID issued by state). Second ID can be a birth certificate, Social Security card, credit card, marriage certificate or immigration card. One ID must include your date of birth, and one must include your signature. Send photocopies, not originals. Send two or more sharply focused color prints or slides. Send videotapes in VHS format. Showing pink is optional at entry stage. All photos and videos become the unreturnable property of L.F.P., Inc., which buys all rights in perpetuity to photos and videos we purchase. Win $350 if we publish your photo, or $500 if we choose your video, and win the chance to be in an extended pictorial or feature video worth $5,000. Send photos, videos, IDs and release to *Real College Girls*, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. **Contest not open to residents of Arizona.** Void where prohibited. No purchase necessary.

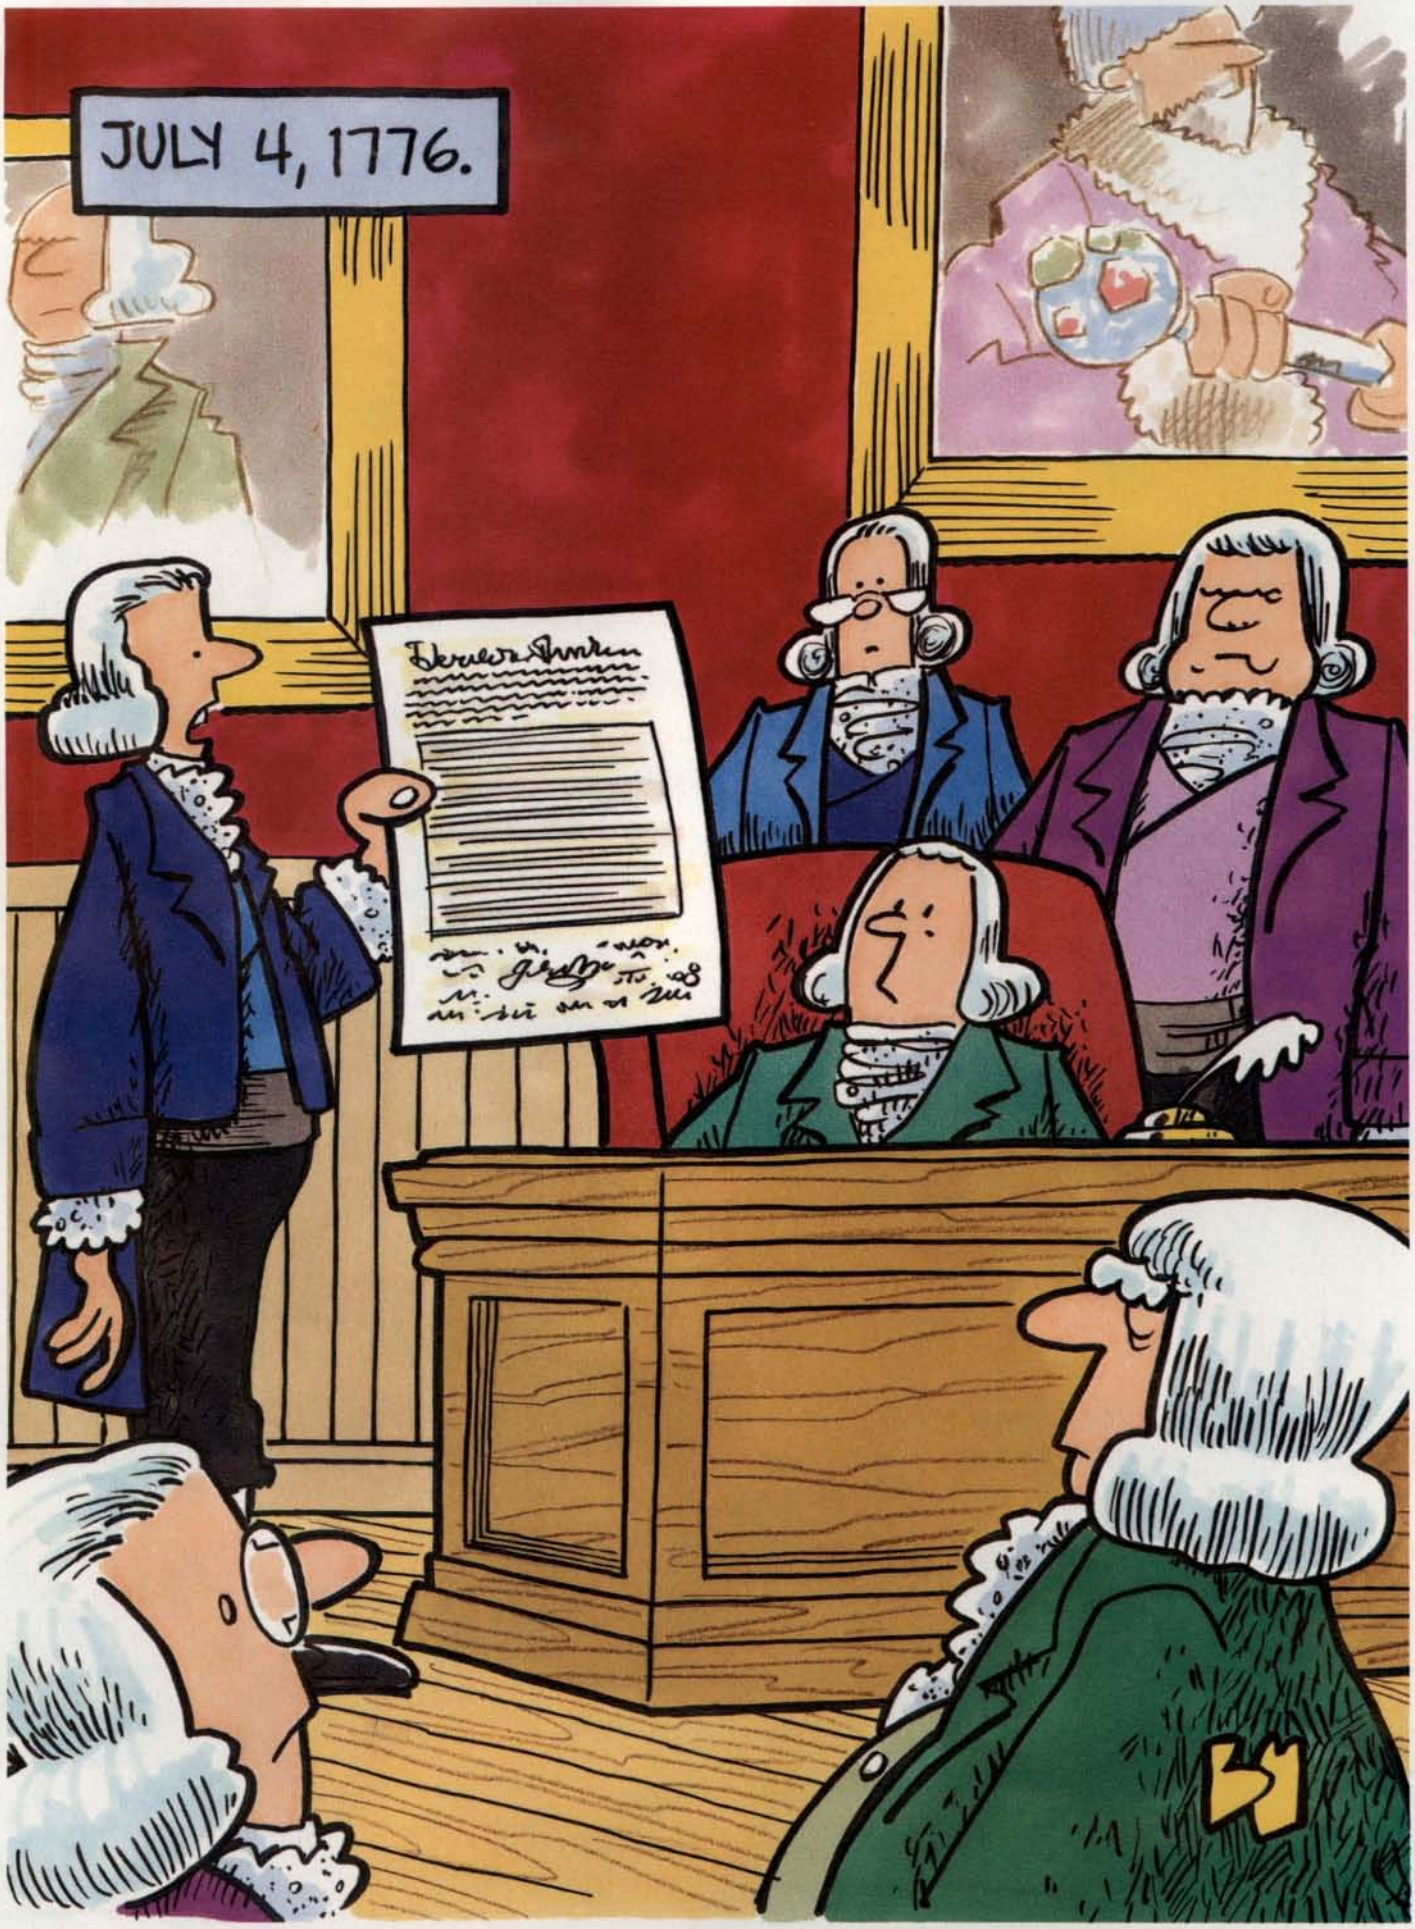
SANDRA SHINE

PHOTOGRAPHY BY MATTI KLATT

Born in Budapest, Hungary, Sandra says posing nude would have been considered shocking in her country ten years ago, but times have changed. "HUSTLER is doing very well in Hungary," the sleek Eastern European export winks. The 22-year-old plans to apply to college next year and says, "I want to study business management." Personalitywise, she describes herself as "a typical Virgo. I'm very sensitive and serious, but silly at the same time. I can change my mood in two minutes." Typical Virgo? That sounds like a typical *woman* to us.

Sandra gets busy in BARELY LEGAL #17, HOT SHOWERS #2, HUSTLER'S YOUNG SLUTS, INC. #11, HUSTLER'S GIRL + GIRL #1 and CAMPUS CONFESSIONS #7 on VHS and DVD from HUSTLER Video. Call (877) 325-6464 or visit www.ShopHUSTLER.com to order.



"I just have a gut feeling that we should add a stipulation preventing anyone named Ashcroft from ever fucking with these liberties."

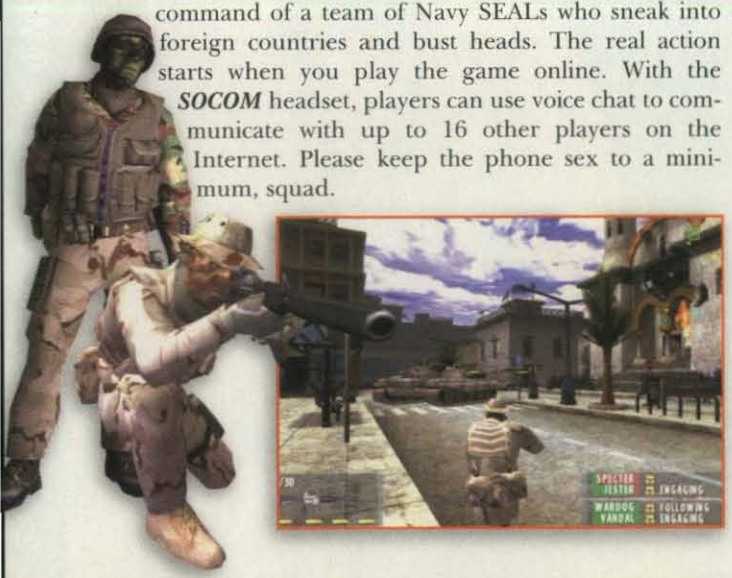
Tony Hawk's Underground
Activision
(GameCube/PlayStation 2/Xbox)

The only household name in skateboarding returns with another edition of the only skateboard game worth playing. After four kick-ass incarnations, ***Tony Hawk's Underground*** freshens up the series by introducing a motivation for all your grinding, ollies and whatnot. Players start as nobodies in a nowhere neighborhood and have to skate their way to the big time. Stay true to your roots, dude.

SOCOM II: U.S. Navy SEALs
Sony Computer Entertainment America
(PlayStation 2)

If you missed out on all the "fun" in the Gulf, here's your chance to get your war on. This tactical shooter puts you in command of a team of Navy SEALs who sneak into foreign countries and bust heads. The real action starts when you play the game online. With the ***SOCOM*** headset, players can use voice chat to communicate with up to 16 other players on the Internet. Please keep the phone sex to a minimum, squad.



Castlevania: Lament of Innocence
Konami
(PlayStation 2)

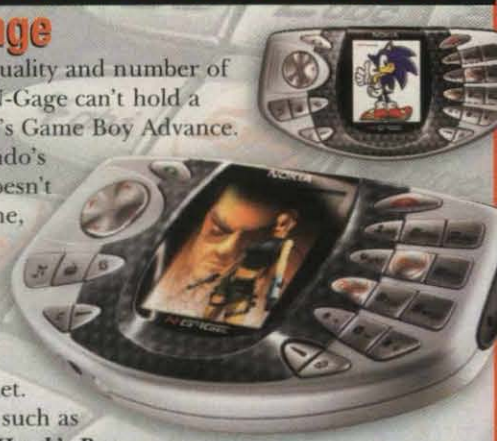
Sequels and remakes are a dime a dozen these days, but the ***Castlevania*** series truly deserves a life on today's next-generation consoles. After two exceptional turns on the Game Boy Advance, it's high time for the Belmont Clan's vampire hunters to live and breathe in 3-D. Grab your whip and holy water; it's time to give those bloodsuckers a good spanking. When you're done with the vampires, do us a favor and swat those bastards at the RIAA.

Ratchet and Clank: Going Commando
Sony Computer Entertainment America
(PlayStation 2)

Mayhem is fun. Ratchet and Clank are a sci-fi duo who wreak robotic havoc in the name of protecting the world from tyranny. The first game was a solid, action-filled romp. This sequel simply refines the formula. There's no official word as to the rumors that the game's characters will be appearing sans underwear as the title suggests.

HOT PLATFORM REVIEW

Nokia N-Gage



When it comes to quality and number of games, the Nokia N-Gage can't hold a candle to Nintendo's Game Boy Advance. Then again, Nintendo's handheld device doesn't also serve as a phone, MP3 player and text-messaging system. The N-Gage delivers graphics tighter than any phone on the market. With popular titles such as ***Tomb Raider***, ***Tony Hawk's Pro Skater***, ***MotoGP*** and ***Super Monkey Ball*** already available, the $300 price tag is justified.

COMING NEXT MONTH IN HUSTLER

HAVING A BALL AT THE TESTICLE FESTIVAL

You'll see far more bare breasts than family jewels at the annual Testicle Festival in Clinton, Montana—unless you count the two-and-a-half tons of beer-battered, deep-fried bulls' nuts that a crowd of over 15,000 consumes during the five-day, clothing-optional revelry. HUSTLER correspondent Carolyn Sinclair checks out the flesh parades, concerts and Cowpie Bingo games at Montana's wildest free-for-all.

HENTAI ME UP

Japanese animation goes XXX in the extreme sexual fantasy world of *hentai*, a genre of adult cartoons where anything goes. Unbound by the physical and censorial constraints of live action, perversions are pushed to the max in unbelievably twisted scenarios, from bestiality to gang-banging demons. Reporter Tom Farrell explores the growing phenomenon and offers a guide to the best of these hard-core cartoons.

TERRORIZED BY THE PATRIOT ACT

Is the government now punishing children for exercising their First Amendment rights? Sherman Austin was just 18 when the FBI raided his house with guns drawn under jurisdiction of the USA PATRIOT Act and shut down his political protest Web site, RaiseTheFist.com, even though the material on the site was available from many other sources, such as Amazon.com. Currently serving a one-year federal prison sentence, Austin is finding out the hard way how antiterrorist laws are being abused to target nonviolent protesters. Interview by Editorial Director Bruce David and Features Editor Dan Kapelovitz.

CATFIGHTS ARE FOR PUSSIES

In a sweaty, stinky hole somewhere in downtown Los Angeles, amateur female fighters pound each other with bare-knuckled punches until they bleed while a leering crowd eggs them on. A new brand of feminist empowerment or sick kicks for misogynistic voyeurs? Managing Editor Tim Kenneally seeks answers as he prowls the underground world of female fight clubs.

HONEY GONE WILD

Everyone's favorite cartoon prostitute, Honey Hooker, returns in the March HUSTLER with a satirical look at the flashing-video phenomenon. When Honey and her faithful companion, Chlamydia, show up for a *Girls Gone Nuts* shoot, they find the biggest boobs hiding in the bushes, shaking their fists in moral outrage (at least that's what we think they're doing; it's hard to tell with their hands down their pants). Story and art by Noel Anderson; special appearance by Attorney General John Ashcroft.

MARCH MADNESS

Bits & Pieces unloads on pop culture with a surprising new celebrity cocksucker and more pornified ad parodies than you can shake your dick at. Jenna Jameson comes clean on her latest porn adventures in *Jenna Tales*. Female readers shed their winter clothes in *Beaver Hunt* while *Real College Girls* lose their shirts for an early Spring Break. Jeanna Fine answers all your burning questions in *Dear Slut*, and *Erotic Entertainment* test-spanks the latest in XXX video and DVD.
